More Golf Secrets H. A. Murry,1975 **More Golf Secrets** Henry Arthur Murray,1960 *More golf secrets* H. A. Murray,1969 **More Golf Secrets** H. A. Murray M. D.,H. A. Murray,2010 As a golf professional of more years experience than I care to remember I have no hesitation in saying that Dr Murray s second golf book does indeed warrant the title **More Golf Secrets** The author has given the reader the benefit of his long experience of the game by approaching the subject in this book in the same analytical manner as he did the swing and golf fallcies in *The Golf Secret* I have never seen the grip and the stance so perfectly and completely described Ball spin and its effects are fascinating and instructive Putting the stymie and the chip shot the all important short game are admirably described with a view to rolling three shots into two Shots from the rough uneven lies and bunker shots are made to appear almost desirable for the pleasure they give and the mathematics of them are intriguing and convincing Wind and rain no longer seem to matter The skillful analyses of the various golf factors provide much information that is entirely new This book is a must for every golfer duffer or pro Algy Easterbrook Golf Professional **More Golf Secrets. Sequel to the Golf Secret, Etc. [With Diagrams.].** Henry Alexander Murray,1954 **More Golf Secrets, Etc** Henry Arthur MURRAY,1954 **The Secret of Golf** Joe Posnanski,2016-06-28 From one of the best sportswriters in America The Washington Times the New York Times bestselling story of the friendship and rivalry between golf legends Tom Watson and Jack Nicklaus whose sparring matches defined the sport for more than a decade The first time they met at an exhibition match in 1967 Tom Watson was a seventeen year old high school student and Jack Nicklaus at twenty seven was already the greatest golfer in the world Though they shared some similarities they were both Midwestern boys who had learned how to play golf at their fathers country clubs they differed in many ways Nicklaus played a game of consummate control and precision Watson hit the ball all over the place Nicklaus lacked charm and theatrics and he was thoroughly despised by most golf fans because he had displaced Arnold Palmer as king of the golf world Watson was one of those Arnold Palmer fans Yet over the next twenty years their seemingly divergent paths collided as they battled against each other again and again for a place at the top of the sport and drove each other to ever soaring heights of accomplishment Spanning from that first match through the Duel in the Sun at Turnberry in 1977 to Watson s miraculous near victory at Turnberry as he approached sixty and informed by interviews with both players over many years *The Secret of Golf* is Joe Posnanski s intimate account of the most remarkable rivalry and eventual friendship in modern golf **Catalog of Copyright Entries.
