One More Chance Liz Durano,2022-06-16 He s gorgeous charming and barely knows I exist until I become his fake fiancée and for the next thirty days he ll do everything to prove to his father that he s a changed man or risk getting cut off from the family fortune But when the line between what s real and pretend gets blurred where do we draw the line and end the charade Giana It s not easy working for billionaire heir Bryce Holden III not when all he ever does is party and party some more all while I make sure all his to dos on his To Do list get done But when he botches an important presentation after a wild night on the town his father issues him an ultimatum straighten up or get cut off from the family fortune So he proposes we pretend to be engaged for the next 30 days while he straightens out his life and in return he ll take care of my grandmother s medical expenses It s a win win proposition and as long as we lay low thirty days will go by fast But when his mother insists on planning the wedding of the century where do I draw the line and put a stop to the charade Bryce When my father issues his ultimatum to settle down or get cut off from the family fortune the last thing I expect is to hear him mention my assistant s name Did he really mean Giana my plain Jane assistant who just happens to be a whiz with blueprints and LEED documentation The same Giana who s always made me look good while expertly disappearing in the background So I give my dad exactly what he wants I get engaged to the only woman he s ever approved of Sure it s fake and with everyone getting what they want from the arrangement whether it s getting my dad s very rare seal of approval to a hotel expansion

People of Today ,2006 **Fighting for More Golden Years: Battling Disease and Embracing Hope After Age 65**
 Daniel Muller,2025-03-25 This is my personal story of battling leukemia as I entered my so called golden years Turning 65
 marked the beginning of a series of profound changes brought on by both family struggles and personal health challenges
 Eventually I was diagnosed with a rare form of leukemia I endured grueling chemotherapy fought through debilitating side
 effects and then faced yet another blow new heart complications and the looming possibility of a second entirely different
 cancer The two years chronicled in this story are about more than just survival they are about fighting to hold on to my
 golden years for as long as possible while seeking hope through faith and the support of loved ones There are many books
 about miraculous recoveries and countless guides on maintaining a long healthy life through diet exercise and wellness
 habits But this is a different kind of story It is about confronting the stark realities of a declining quality of life and the ever
 present specter of death while still striving to remain positive hopeful and grounded in faith one day at a time **British**
