More difficult sayings of Jesus William Neil,1975 **More Difficult Sayings of Jesus** William Neil,Stephen Travis,1979 **More Difficult Sayings of Jesus** William Neil,Stephen Travis,1982 *Hard Sayings of Jesus Christ* William Leighton Grane,2018-07-05 In a former volume the present writer has endeavoured to define the principles upon which a reasonable faith in the Inspiration of Holy Scripture may securely rest As one of these principles it was recognised that a difference of weight and value attaches to different parts of the Library we call the Bible Now one of these parts is plainly of paramount importance For few will fail to find the very heart and soul of the biblical body in the words of The Word of God Himself By this the core of Christianity its claim on the hearts and lives of men must finally be judged But in order to judge it is necessary to understand Therefore before all things it seems necessary to set the Words of Jesus in their own proper historical light in order to arrive at the meaning they conveyed to those who first heard them for this alone can safely be accounted the primary meaning of their Speaker Amid much unbridled controversy on matters intrinsically trivial it is at least a hopeful sign in the religious outlook of to day that the thoughtful of every school seem more than ever disposed to turn for guidance and relief to a study of the Mind of Christ And surely the Master s Message is for all To the disciples of Reason it is He Who cries Which of you convicteth Me of sin If I say Truth why do ye not believe Me To the bewildered seekers after Authority it is He Who declares Heaven and earth shall pass away but My words shall not pass away And this the most astounding claim imaginable on the lips of an outcast Teacher the Centuries have justified so justified one would have thought as clearly to indicate even to bewildered seekers the true seat of Authority in matters of Religion Among the authoritative and reason compelling Words of Jesus Christ however some undoubtedly cause trouble to thinking minds Appearing on a shallow acquaintance either impracticable or reasonless they not only fail of authority but sow the seeds of doubt The object therefore of this book is the lessening of such perplexities by setting forth the principles which seem to elucidate the Teaching of the Master It is an attempt to construe the meaning of some of the more striking of Christ s hard sayings Others here untouched might no doubt easily be cited But the aim of the writer has not been to exhaust the verbal difficulties in the recorded utterances of our Lord He has rather sought to examine the Master s method and to illustrate its underlying principles by a number of examples perhaps sufficient to enable the reader to apply those principles in solving other problems for himself *Hard sayings of Jesus Christ* William Leighton Grane,1899 **Hard Sayings of Jesus** John Zehring,2017-10-28 Hard sayings of Jesus are those he spoke which are hard to understand Some confounded even the disciples who did not understand or were astounded by what he said The hard sayings often appear to contradict Jesus other teachings about a loving kind forgiving and compassionate God How can curious Christians wrestle with their meaning to understand them This book stimulates engaging conversations for a six week group study of Jesus hard sayings Each chapter contains conversation starting questions background information and texts needed to inform the discussion The Appendix

includes valuable tools like 1 The teaching methods of Jesus 2 Basic questions to consider in bible study 3 Fast Facts about the authors of the synoptic gospels and others The book is especially well suited for small member led discussion groups although anyone curious about Jesus hard sayings will find it enlightening The Tough Sayings of Jesus Volume 1 - Member Book Michael Kelley, 2007-01-31 The Tough Sayings of Jesus Volume 1 Member Book is a 4 session study that examines a few of Jesus more puzzling conversations and confidently questions things Jesus said that are in most cases difficult to swallow Participants will thoroughly study the meaning of each of these sayings and delve into the historical and cultural context of Scripture The study offers no pat answers but instead focuses on sparking discussion and providing fresh insight Author Michael Kelly lives in Nashville Tennessee with his wife Jana and kids Joshua Andi and Christian He grew up in Texas and earned a Master of Divinity at Beeson Divinity School in Birmingham Alabama He has written Holy Vocabulary Rescuing the Language of Faith **Hard Sayings of Jesus** F. F. Bruce, 2025-08-28 Like his original hearers many people today find Jesus sayings hard Some sayings are hard because they are difficult to understand others because the demands they make on us are only too clear F F Bruce examines seventy of the hard sayings of Jesus to clear away the cultural and historical difficulties which keep us from grappling with the real challenge of Jesus message Evident in each chapter is Bruce s keen evangelical scholarship and pastoral insight **Lectionary Preaching Workbook** Russell F. Anderson, 1996 The busy preacher will find a multitude of ideas illustrations and sermon seeds for all the lectionary lessons Anderson s commentaries for the Revised Common and Catholic lectionaries are accompanied by theological reflections exploring the relationships between the texts a suggested sermon title for each week Sermon Angles which briefly develop the theological themes for the day and two to four illustrative stories per chapter Other convenient features include wide margins for taking notes and a stay flat binding **Taught By God** Daniel Fanous, 2020-08-11 Taught by God grapples with the difficult sayings of Christ The author uses all the resources of the patristic tradition and modern biblical scholarship to put these sayings in a clearer light If we are able to delve into the deeper meaning of these hard sayings then we will truly be taught by God *More difficult sayings of Jesus* William and Travis Neil (Stephen H.), 1982 **The Universalist Leader**, 1928 **The Christian Leader**, 1928 Continent, 1923 **25 Ready-To-Use Short Sermons on the Difficult Sayings of Jesus** Barry L Davis, 2025-08-07 If you ve ever struggled with Jesus more challenging statements His commands to hate family members His warnings about camels and needles His promises about eating His flesh you re not alone These difficult sayings have puzzled believers frustrated skeptics and challenged interpreters for two thousand years Yet perhaps it s precisely because these sayings are difficult that they demand our attention and deserve our careful study The hard sayings of Jesus represent some of His most profound and transformative teachings They cut through comfortable religiosity to reveal the radical nature of discipleship the cost of following Christ and the revolutionary values of God s kingdom While His gentler words comfort and encourage us His difficult sayings confront and transform us forcing us to grapple with spiritual realities

that we might otherwise ignore or avoid This collection was born from a conviction that the church needs to engage honestly with all of Jesus teachings not just the comfortable ones that affirm our preferences but especially the uncomfortable ones that challenge our assumptions and call us to deeper discipleship Too often difficult sayings are either ignored completely explained away through creative interpretation or relegated to academic discussion rather than practical application
