More English Than The English:

Dictionarium Britannicum: Or a More Compleat Universal Etymological English Dictionary Than Any Extant. ... Illustrated with Near Five Hundred Cuts, for Giving a Clear Idea of Those Figures, Not So Well Apprehended by Verbal Description. ... The Whole Digested ... Young Students and Foreigners. A Work Useful ... and Write True English Nathan Bailey, 1736 *Conversational Storytelling in Spanish-English Bilingual Couples* Olga Pahom, 2024-10-17

For more than three decades the percentage of people who married someone of a different race ethnicity culture or linguistic background has been on the rise in the United States but the communication practices of such couples have remained understudied Combining bilingualism gender studies and conversation analysis this book explores and describes the storytelling practices and language choices of several married heterosexual Spanish English bilingual couples all residing in Texas but each from different geographic and cultural backgrounds Based on more than 900 minutes of conversations and interviews the book offers a data driven analysis of the ways in which language choices and gender performance shape the stories conversations and identities of bilingual couples which in turn shape the social order of bilingual communities Using a combination of methodologies to investigate how couples launch tell and respond to each other s stories the book identifies seven main factors that the couples see as primary determinants of their choice of English and Spanish during couple communication The use of conversation analysis highlights the couples own practices and perceptions of their language choices demonstrating how the private language decisions of bilingual couples enable them to negotiate a place in the larger culture shape the future of bilingualism and establish a couple identity through shared linguistic and cultural habits
