Corinth was a newly rebuilt bustling important city in the Roman Empire It was a place full of pride individualism wealth and
religious pluralism No wonder its inhabitants held little regard for Paul s message Sound familiar Our contemporary culture
has much in common with ancient Corinth The relevance of this book to churches today is astounding Paul delivers powerful
theology that turns the values of the ancient Roman world upside down the grace of God the centrality of the cross and God s
power made perfect in weakness He challenges us to live counterculturally In this commentary on 2 Corinthians Pastor R
Kent Hughes carefully examines this letter from the apostle Paul to the church in Corinth continuing to provide rich biblical
