**The Wonderful World of Model Trains** David B. Brokaw, 2015-03-14 There's a nostalgia associated with model trains and railroading even if it's unspoken

Railroads take us back to an earlier era A more basic time When spending a week or more on a train was seen as a luxury an event in itself not at as merely a mode of transportation You've probably already scouted some model railroad shows You've no doubt recognized the camaraderie and the passion these folks have And yes you're interested in becoming a part of that The Wonderful World of Model Trains will help you do just that It's a comprehensive guide to model railroading written for someone who is new to this hobby starting with some basic train knowledge terminologies and continuing on to the more detailed aspects of the hobby And yes this hobby can indeed get quite detailed And that tends to be intimidating to some people The beauty of this hobby is that you can get involved at just the level you care too You'll discover that every model railroader is in it for the love of the trains and the history The vast majority of us are not out to make a fast buck from our interests Here's some of the things you'll learn in The Wonderful World of Model Trains How to create stunning terrain in your scenery with these 3 simple techniques Different scales gauges standards in the world of model railroading and what they all mean 2 simple keys that are right in front of your eyes to build your own benchwork **WARNING** 3 things you should

never do when it comes to wiring A pennies on the dollar approach to finding model train parts How to avoid derailing problems 3 proven steps to running multiple trains on one track 6 time tested and proven strategies for laying out train tracks When to add onto your set with locomotives and rolling stock 7 everyday but often overlooked tips and tricks for building the best layouts for your scenery How to do general maintenance on your model trains and tracks And much more
