Overcoming Executive Mid Life Crisis:

Overcoming Executive Mid-life Crisis Homer R. Figler,1978 **Reading Goethe at Midlife** Paul Bishop,2020-07-13
This book explores the history of the idea of the midlife crisis using the writings of C G Jung and Goethe to investigate its relevance for today Tracing how the ages of humankind became the stages of life in which the midlife crisis represents a pivotal moment Paul Bishop offers a detailed analysis of a paper by Jung on this subject He then shifts the focus to Goethe s interest in Orphic wisdom and one of Goethe s major later poems Primal Words Orphic Urworte Orphisch Using Jungian ideas to explore the psychological implications of this poem Bishop draws on Goethe s own commentary and other background material to uncover its vital message Reading Goethe at Midlife reveals the remarkable symmetry between the ideas and Jung and Goethe Jung s analysis of the stages of life and his advice to heed the call of the self are brought into the conjunction with Goethe s emphasis on the importance of hope showing an underlying continuity of thought and relevance from ancient wisdom via German classicism to analytical psychology At a time when many Jungians are turning to neuroscience to provide an external underpinning for Analytical Psychology this scholarly book is very welcome it returns to psychology s home territory placing Jung firmly in a long cultural tradition Impressively well read in many fields extending from literature and the history of ideas to psychoanalysis and Jungian studies Paul Bishop allows a text by Jung and a late poem by Goethe to mirror and enhance each other demonstrating Jung s intellectual proximity to the tradition of German classicism The wealth of amplifications that Bishop brings to the many themes treated allows us to experience a living reality a continuity of ideas across different times and cultures *Executive Personnel* United States.
