*Overcoming Spiritual Barriers in Japan* Keith E. Webb, 2010-01-18 This study examines the invisible spiritual reality behind the 17th century persecution of Christians and the subsequent spiritual strongholds that were established. These barriers are still effectively holding the Japanese people in bondage. Through this Evangelical account you will learn how to minister to Japanese and how to pray for them.

**Kierkegaard's Incarnational Mission** Michio Ogino, 2025-06-30 One lacuna in Søren Kierkegaard scholarship is in analyzing his works with his self-described identity as a missionary to Christendom in mind. Challenging the international connotation of the term missionary, Dr. Michio Ogino examines Kierkegaard's works in which he identified himself as a missionary writer to reveal how he considered being a missionary an integral part of being a Christian. By chronologically and empirically examining the writings of Søren Kierkegaard, Dr. Ogino argues that Kierkegaard not only proclaimed Jesus Christ in his homeland but did so in a manner similar to how Christ had done on earth, incarnating the Christian message for his contemporaries. Through this provocative exploration, Ogino lays out how the application of Kierkegaardian mission can help to overcome five recognized barriers in Japanese evangelization. Kierkegaard scholars and readers will find a new understanding of the motivations and reasoning behind his works, and missionaries not only to Japan but all nations will be encouraged in how his approach can be applied in their context.

**The Coach Model for Christian Leaders** Keith E. Webb, 2019-07-02 A practical guide to the leadership skills you need to solve problems, reach goals, and develop others into leaders themselves. The COACH Model is a radically different approach to leading people. Rather than provide answers, leaders ask questions to draw out what God has already put into others. ICF Professional Certified Coach and speaker Keith Webb teaches Christian leaders how to create powerful conversations to assist others to solve their own problems, reach goals, and develop their own leadership skills in the process. Whether leaders are working with employees, teenagers, or a colleague living in another city, they will find powerful tools and techniques to increase leadership effectiveness. Based on first-hand experience and taught around the world, The COACH Model for Christian Leaders is packed with stories and illustrations that bring the principles and practice to life and transform leaders' conversations into powerful results.

[Overcoming Barriers to Evangelization in Japan](#) David J. Lu, 2019-09-04 With the advent of the Reiwa era and 2020 Tokyo Olympics, the world's attention is riveted on Japan's grand tradition. Yet these same traditions are the ones that are hindering our efforts for evangelization. A college student knows he will be disowned by his family if baptized, and a Christian wife cannot receive baptism because of her Buddhist husband's strong opposition. How can we combat against these? There are two approaches: 1. We can condemn Japanese practices as total darkness and preach against them, or 2. We can follow Paul's teaching and deem the Japanese people as worshipping an unknown god (Acts 17:22-31) and try to emphasize common grace at each turn. This book follows the second approach but

provides judiciously placed caution signs It will tell you how to engage in conversation with non Christians while providing an insider s view of Japan s rich cultural heritage Its main purpose is to obtain conversion among the die hard Buddhists Shintoists and traditionalists When that is done God s kingdom will be enriched in a manner similar to the time when Saul of Tarsus became Paul the apostle *Disasters and Social Crisis in Contemporary Japan* Mark R. Mullins,Koichi Nakano,2016-01-26 Japan was shaken by the double disaster of earthquake and sarin gas attack in 1995 and in 2011 it was hit once again by the triple disaster of earthquake tsunami and nuclear meltdown This international multi disciplinary group of scholars examines the state and societal responses to the disasters and social crisis Introducing Modern Japan ,1993 Contains transcripts of lectures given at the Japan Information Culture Center Embassy of Japan Washington D C
