Ownership: Early Christian Teaching Charles Avila, 2004-06-14 Charles Avila's important retrieval of patristic texts reminds us that the option for the poor is not a new theological fad but an ancient Christian legacy Joe Holland Center of Concern Washington D C Charles Avila has provided an important recovery of the patristic teachings on wealth and poverty and has shown that a Christian theology of stewardship must be rooted in an ethic of economic justice Rosemary Radford Ruether Carpenter Professor of Feminist Theology Pacific School of Religion This book is a rich anthology of a stream of Christianity which offers a striking vision of what the Redemption ought to imply normatively for a Christian inspired organization of economic and social life Prophetic reminders of basic truths about wealth and poverty are never out of date Denis Goulet Professor Emeritus University of Notre Dame At long last here is a book from a Christian and Asian voice of the Third World who rediscovers and re echoes afresh for our times the prophetic undiluted and revolutionary patristic thought on property a well kept secret until now a voice that speaks with a bite to the rich and powerful on behalf of the millions of landless propertyless victims of injustice Scholarly yet lucid disturbing but challenging truly good news to the poor this book is the fruit of lived experience with the peasants in the Philippines by a self exiled oppositionist to the Marcos regime Vitaliano R Gorospe S J Department of Theology Ateneo de Manila University Manila Philippines This book will do a great amount of good for people who are searching into this question of property all across the world It should be read in every sociology as well as every economics class Msgr John J Egan Archdiocese of Chicago Like pacifism the early church's teaching about poverty has been too long neglected or submerged I found this exposition of the Church fathers very useful James R Jennings Campaign for Human Development United States Catholic Conference [Redemptive Almsgiving in Early Christianity](#) Roman Garrison, 1993-01-01 In the light of the New Testament's conviction that Jesus Christ died for sins and that the Cross is a once for all act that makes the Temple cult unnecessary this challenging work probes the reasons for the emerging doctrine of redemptive almsgiving in early Christianity Do the New Testament writers themselves even Jesus implicitly endorse the view that a supplementary or alternative means of atonement is necessary What is the background of this theme in Graeco Roman sources and in the Hebrew Bible What are the principal texts in early Christian literature that advocate almsgiving as a ransom for sin These questions firmly govern this investigation of the social and theological forces that gave legitimacy to a doctrine that at first appears to contradict the primary New Testament soteriology namely that the death of Jesus Christ is the exclusive means of redemption from sin **Key Approaches to Biblical Ethics**, 2021-01-25 The purpose of Key Approaches to Biblical Ethics is to address fundamental as well as practical questions of methodology in examining the ethical material of the Bible Sixteen scholars of international reputation most of them leaders in the field of biblical ethics discuss questions of biblical interpretation from the perspectives of the Hebrew Bible and New Testament ethics in close dialogue with one another In the present volume both established and new approaches to biblical ethics are

presented and discussed The result is a volume of unprecedented scholarly interaction that provides key insights into issues of biblical ethics that play a significant role both for biblical interpretation as well as for methodological questions in Jewish and Christian ethics today A Workbook on Biblical Stewardship Richard Rusbuldt,1994 This nine chapter journey through the biblical principles of stewardship helps Christians grasp God s message regarding his people s role and responsibility as earthly caretakers The workbook could well be used in a church school class or in a small group setting **God the Economist** M.
