

# **NOTHING GOLD CAN STAY**

**BY ROBERT FROST**

Nature's first green is gold,  
Her hardest hue to hold.  
Her early leaf's a flower;  
But only so an hour.  
Then leaf subsides to leaf.  
So Eden sank to grief,  
So dawn goes down to day.  
Nothing gold can stay.

*The Complete Poems of Sappho* Willis Barnstone, 2009-03-10 A vivid contemporary translation of the greatest Greek love poet with a wealth of materials for understanding her work by a prize winning poet and translator Sappho's thrilling lyric verse has been unremittingly popular for more than 2 600 years certainly a record for poetry of any kind and love for her art only increases as time goes on Though her extant work consists only of a collection of fragments and a handful of complete poems her mystique endures to be discovered anew by each generation and to inspire new efforts at bringing the spirit of her Greek words faithfully into English In the past translators have taken two basic approaches to Sappho either very literally translating only the words in the fragments or taking the liberty of reconstructing the missing parts Willis Barnstone has taken a middle course in which he remains faithful to the words of the fragments only very judiciously filling in a word or phrase in cases where the meaning is obvious This edition includes extensive notes and a special section of Testimonia appreciations of Sappho in the words of ancient writers from Plato to Plutarch Also included are a glossary of all the figures mentioned in the poems and suggestions for further reading

*Searching for Sappho* Philip Freeman, 2016-02-04 An exploration of the fascinating poetry life and world of Sappho including a complete translation of all her poems For more than twenty five centuries all that the world knew of the poems of Sappho the first woman writer in literary history were a few brief quotations preserved by ancient male authors Yet those meager remains showed such power and genius that they captured the imagination of readers through the ages But within the last century dozens of new pieces of her poetry have been found written on crumbling papyrus or carved on broken pottery buried in the sands of Egypt As recently as 2014 yet another discovery of a missing poem created a media stir around the world The poems of Sappho reveal a remarkable woman who lived on the Greek island of Lesbos during the vibrant age of the birth of western science art and philosophy Sappho was the daughter of an aristocratic family a wife a devoted mother a lover of women and one of the greatest writers of her own or any age Nonetheless although most people have heard of Sappho the story of her lost poems and the lives of the ancient women they celebrate has never been told for a general audience Searching for Sappho is the exciting tale of the rediscovery of Sappho's poetry and of the woman and world they reveal
