Ozarks Onslaught:

The Trailsman #275: Ozarks Onslaught, 2004 **The Trailsman #275: Ozarks Onslaught** Jon Sharpe, 2004-09-07 It's a battle of the sexes in the Arkansas backwoods. When Skye Fargo rescues a maiden in distress in the wilds of the Ozark Mountains, he finds himself caught in the age-old battle of the sexes. Ever since a meddling schoolmarm from back east started educating the mountain folk out of their backwoods ways, the Jackson clan has been at war with itself; the men and women suddenly turned against each other. But as Fargo uncovers more about the feud, he suspects that some scheming sidewinder wants the war to drag on until all the Jacksons have been buried in the family plot with the Trailsman alongside them. **Trailsman #275** David Robbins, 2004 **The Trailsman #276: Skeleton Canyon** Jon Sharpe, 2004-10-05 Danger awaits Fargo in a haunted canyon. In a rugged corner of Arizona, Skye Fargo saves old timer Bert Olmsted from a flying bullet. But the disgruntled shooter doesn't plan on letting Fargo or Bert and his pretty granddaughters leave town without spilling some of their blood. Determined to make their fortune in Skeleton Canyon, Bert and his girls refuse to be bullied by some bloodthirsty critter. They agree to Fargo's protection, but what the Trailsman doesn't know is that a gun-toting bully is the least of their troubles. The Apaches believe Skeleton Canyon is haunted and would rather scalp some innocents than see gold diggers stir up the dead. Now if Fargo isn't careful, the canyon could wind up hosting a few more ghosts. **Trailsman #274** Jon Sharpe, 2004-08-03 Skye Fargo sets his sights on a sinful Sister. Sister Salvation has made it her job to rid Gladville of sin, and if you don't like it, she'll burn down your house. With her small army of devotees watching everyone in town, she's all but taken over. When Skye Fargo rides in, he finds the one woman who had the gumption to stand up to the Sister, mercilessly beaten and left for dead. Now Fargo's about to stand up himself and shoot others down until Gladville is cleansed. **Ozark Baptizings, Hangings, and Other Diversions** Robert K. Gilmore, 1990-01-01 *Ozark Baptizings, Hangings, and Other Diversions* is about the people of a unique corner of America and how they entertained themselves at the turn of the century. In the years from 1885 to 1910, most Ozark communities were still relatively isolated from the outside and from each other. Thus they had to rely on their own resources for diversion from the difficult and often solitary business of everyday living. The most popular of their entertainments were those that brought some theater into their lives. They especially delighted in literaries, debates, mock trials, closing of school programs, suppers, picnics, brush arbor revivals, and baptizings. Then there was the occasional hanging that for audience attention was rivaled only by the political rally. The hanging took on all the flavor of high drama, even to the impassioned farewell address by the condemned who was carried away by the excitement of it all. By their entertainments, shall we know them, and this account of Ozarkers' diversions reveals them in all their independence, conservatism, sense of place, humor, dedication to learning, love of the spoken language, and religious and political intensity. No come here, an Ozarker's term for a newcomer. Robert K. Gilmore grew up on an Ozark farm reared by grandparents who were young in the era described in this book. Years later, he went back to the rural Ozarks.

and encouraged the people to recall the early days for him They described the entertainments of their youth with a special clarity of recall The files of the Ozark weeklies also proved richly rewarding The editors and their rural correspondents delighted in describing the local entertainments in vivid reportage loaded with editorial comment This book illustrated with rare photographs of turn of the century diversions celebrates the centennial of an era **Literary Afterlife** Bernard A. Drew,2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them It includes book series that have continued under a deceased writer s real or pen name undisguised offshoots issued under the new writer s name posthumous collaborations in which a deceased author s unfinished manuscript is completed by another writer unauthorized pastiches and biographies of literary characters The authors and works are entered under the following categories Action and Adventure Classics 18th Century and Earlier Classics 19th Century Classics 20th Century Crime and Mystery Espionage Fantasy and Horror Humor Juveniles 19th Century Juveniles 20th Century Poets Pulps Romances Science Fiction and Westerns Each original author entry includes a short biography a list of original works and information on the pastiches based on the author s characters **Apache Strike** Jason Manning,2006 When the woman he loves a beautiful half Apache is murdered by the bluecoats Kiannatah creates a bloody swath of vengeance across the Sierra Nevada that results in a final confrontation with the army s best Apache hunter **The Hunters of the Ozark** Edward Sylvester Ellis,1887 Kansas Weapon Wolves Jon Sharpe,2005 Fargo fights off a pack of flatland marauders **Ozark Postoffice** ... John Henton Carter,1899 The New Encyclopedia of Southern Culture Larry J. Griffin,Peggy G. Hargis,Charles Reagan Wilson,2012-07-01 This volume of The New Encyclopedia of Southern Culture offers a timely authoritative and interdisciplinary exploration of issues related to social class in the South from the colonial era to the present With introductory essays by J Wayne Flynt and by editors Larry J Griffin and Peggy G Hargis the volume is a comprehensive stand alone reference to this complex subject which underpins the history of the region and shapes its future In 58 thematic essays and 103 topical entries the contributors explore the effects of class on all aspects of life in the South its role in Indian removal the Civil War the New Deal and the civil rights movement for example and how it has been manifested in religion sports country and gospel music and matters of gender Artisans and the working class indentured workers and steelworkers the Freedmen s Bureau and the Knights of Labor are all examined This volume provides a full investigation of social class in the region and situates class concerns at the center of our understanding of Southern culture **Hill Folks** Brooks Blevins,2003-04-03 The Ozark region located in northern Arkansas and southern Missouri has long been the domain of the folklorist and the travel writer a circumstance that has helped shroud its history in stereotype and misunderstanding With Hill Folks Brooks Blevins offers the first in depth historical treatment of the Arkansas Ozarks He traces the region s history from the early nineteenth century through the end of the twentieth century and in the process examines the creation and

perpetuation of conflicting images of the area mostly by non Ozarkers Covering a wide range of Ozark social life Blevins examines the development of agriculture the rise and fall of extractive industries the settlement of the countryside and the decline of rural communities in and out migration and the emergence of the tourist industry in the region His richly textured account demonstrates that the Arkansas Ozark region has never been as monolithic or homogenous as its chroniclers have suggested From the earliest days of white settlement Blevins says distinct subregions within the area have followed their own unique patterns of historical and socioeconomic development Hill Folks sketches a portrait of a place far more nuanced than the timeless arcadia pictured on travel brochures or the backward and deliberately unprogressive region depicted in stereotype
