## **PI Travers:**

Mary Poppins, She Wrote Valerie Lawson, 2013-12-03 The story of Mary Poppins the quintessentially English and utterly magical children's nanny is remarkable enough. She flew into the lives of the unsuspecting Banks family in a children's book that was instantly hailed as a classic then became a household name when Julie Andrews stepped into the starring role in Walt Disney's hugely successful and equally classic film. Now she is a sensation all over again both on Broadway and in Disney's upcoming film *Saving Mr Banks*. *Saving Mr Banks* retells many of the stories in Valerie Lawson's biography *Mary Poppins She Wrote* including P L Travers's move from London to Hollywood and her struggles with Walt Disney as he adapted her novel for the big screen. Travers whom Disney accused of vanity for thinking she knows more about Mary Poppins than I do was a poet and world renowned author as tart and opinionated as Andrews's big screen Mary Poppins was cheery and porcelain beautiful. Yet it was a love of mysticism and magic that shaped Travers's life as well as the very character of Mary Poppins. The clipped strict and ultimately mysterious nanny who emerged from her pen was the creation of someone who remained inscrutable and enigmatic to the end of her ninety six years. Valerie Lawson's illuminating biography provides the first full look at the life of the woman and writer whose personal journey is as intriguing as her beloved characters.

The Real Life Mary Poppins Paul Brody, 2013-02-20 Among twentieth century authors P L Travers was by far the most productive and famous to hail from the British colony of Australia. After a brief and modestly successful acting career she moved to London and pursued her own brand of journalism. She was a well regarded drama critic and travel author and she became friends with many influential writers and thinkers on both sides of the Atlantic Ocean. Eventually she found her greatest voice in the form of Mary Poppins the mysterious and powerful Edwardian nanny. Thirty years after the first Poppins adventure is published Walt Disney produced a live action movie version which has ingrained itself forever in the popular imagination. This biography traces Travers from her youth her early career in acting and writing the making of Mary Poppins and more. *LifeCaps* is an imprint of *BookCaps Study Guides*. With each book a lesser known or sometimes forgotten life is recapped.
