Social Media Literacy Tricks

Maurice J. Elias, Linda Bruene Butler

Social Media Literacy Tricks:

Let's Make Things Better Gidon Lev, 2024-11-12 To me hard times are like hide and seek where is the solution where is the hope We can never give up looking for these things because they are just waiting to be found Gidon Lev On May 8 1945 when he was just ten years old Gidon Lev was liberated from a Nazi concentration camp after four nightmarish years Twenty six family members including Gidon's beloved father and grandparents were murdered in the Holocaust Only Gidon and his mother survived From the depths of despair a little boy who had lost so much was determined to build a life filled with adventure and love And that is exactly what he did Today a spritely and cheerful octogenarian and father of six Gidon speaks to celebrities and diplomats all over the world and has taken social media by storm all with his signature candor charm and wisdom Just what makes this Holocaust survivor rascal and dogged optimist tick Sharing remarkable stories from his extraordinary life Lev reveals his secrets of happiness and fulfillment From reconciling with the sometimes painful past to embracing this singular gift called life Gidon has never taken a day of his life for granted and neither should we You don't get the life you want Gidon says you get the life that you get Let's Make Things Better is the story of an indomitable spirit whose cheerful determination to never give up is just what we need during these uncertain times Now more than ever Gidon Lev has important lessons for us all about life and how to live it well having the courage to stand up to hate living for the moment believing in ourselves nurturing loving and caring relationships and always always believing that a better world is something worth fighting for

Breaking the Chains: Strategies to Combat Mobile Phone Addiction in Children Dr. Shivam Kamthan, Dr. Arshia Masood Siddiqui, Dr. Parul Saxena, 2025-07-15

What Works, What Doesn't (and When) Dilip Soman, 2024-03-26 How well do behavioral science interventions translate and scale in the real world Consider a practitioner who is looking to create behavior change through an intervention perhaps it involves getting people to conserve energy increase compliance with a medication regime reduce misinformation or improve tax collection The behavioral science practitioner will typically draw inspiration from a previous study or intervention to translate into their own intervention The latest book in the Behaviourally Informed Organizations series What Works What Doesn't and When presents a collection of studies in applied behavioral research with a behind the scenes look at how the project actually unfolded Using seventeen case studies of such translation and scaling projects in diverse domains such as financial decisions health energy conservation development reducing absenteeism diversity and inclusion and reducing fare evasion the book outlines the processes the potential pitfalls as well as some prescriptions on how to enhance the success of behavioral interventions The cases show how behavioral science research is done from getting inspiration to adapting research into context designing tailored interventions and comparing and reconciling results With contributions from leading academics and seasoned practitioners What Works What Doesn't and When provides prescriptive advice on how to make behavior change projects happen and what pitfalls to watch out for
