The Complete Book of Science Fiction and Fantasy Lists Maxim Jakubowski, Malcolm Edwards, 1983 [Teaching Fantasy Novels](#) Phyllis J. Perry, 2003-09-08 Capitalize on the child appeal of fantasy literature to create challenging activities that address the 12 Standards of the English Language Arts sponsored by NCTE and IRA. This guide contains practical ideas that enable the teacher or librarian to incorporate acclaimed fantasy literature in the elementary and middle school curriculum and also serves as a reference guide to parents seeking outstanding examples of fiction for students. Each fantasy novel is accompanied by a plot summary and list of major characters, a comprehension check, a vocabulary exercise, discussion questions, reference topics, and suggested multidisciplinary extension activities. Fantasy book selection includes Harry Potter and the Goblet of Fire, The Hobbit, The Dark is Rising, Tuck Everlasting, Poppy, James and the Giant Peach, Ella Enchanted, The Amber Spyglass.

The Complete Book of 1990s Broadway Musicals Dan Dietz, 2016-09-29 Musicals of the 1990s felt the impact of key developments that forever changed the landscape of Broadway. While the onslaught of British imports slowed down the so-called Disneyfication of Broadway began a trend that continues today. *Beauty and the Beast* and *The Lion King* became long running hits followed by more family friendly musicals. The decade was also distinguished by a new look at revivals instead of slavishly reproducing old shows or updating them with campy values. Broadway saw a stream of fresh and sometimes provocative reinventions including major productions of *My Fair Lady*, *Damn Yankees*, *Carousel*, *Show Boat*, and *Chicago*. In *The Complete Book of 1990s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1990s. This book discusses the era's major hits, *Miss Saigon*, *Crazy for You*, *Rent*, notorious flops, *Shogun*, *Nick*, *Nora*, *The Red Shoes*, controversial shows, *Passion*, *The Capeman*, and musicals that closed during their pre-Broadway tryouts. *Annie*, *2 Miss Hannigan's Revenge*, *Whistle Down the Wind*. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal appearance revues with such performers as Sandra Bernhard, Michael Feinstein, Patti LuPone, Liza Minnelli, and Mandy Patinkin. Each entry contains the following information:

Plot summary, Cast members, Names of all important personnel including writers, composers, directors, choreographers, producers, and musical directors, Opening and closing dates, Number of performances, Critical commentary, Musical numbers and the performers who introduced the songs, Production data including information about tryouts, Source material, Tony awards and nominations, Details about London and other foreign productions. Besides separate entries for each production, the book offers numerous appendixes including a discography, filmography, and published scripts as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1990s Broadway Musicals* provides a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.
