Moody,2012-10-19 As a perfect pairing of the journey of life and love For the People and Lovers Lane are grafted together to form one unique collection of lyric poems and short stories Written to expose the unspoken pains joys and uncertainties packaged with life the passages allow each reader to revisit their familiarities about love grief and recovery leaving the reader with a sense of wholeness and contentment To the misunderstood teen mother father wife and husband For the People is our story as it expresses the disappointments and trials that have dictated our decisions The feelings of loss friendships the memories that will forever linger as what ifs in our minds and the promise of success will forever unite us as a people This book was written For the People the human being that dwells in all of us despite being at times oppressed by our minds and shackled in our hearts This book is for you This book is for us When embarking on a journey we hope for smooth travels however as most have experienced journeys have obstacles Each time we overcome an obstacle motivation to continue on envelopes us pushing us to endure The pursuit of happiness is the largest obstacle in the journey of love as love does not always result in happiness and happiness does not always exist with love Lovers Lane takes you through the obstacles leading to the path of happiness As the second piece this has been the most promising work *Finding Forever*

Jamey Moody,2021-01-09 How do you suddenly find yourself in love with a friend A much younger friend It had been six years since Stella Morris lost her wife She was doing her best trying to navigate without her soulmate by teaching classes at the fitness center she owned with her two best friends She knew she was spending too much time alone so when a friend needed a favor she offered to go along That favor turned into another and then another and suddenly Stella found herself falling for her much younger friend If the age difference wasn't enough to challenge this new relationship the surprising lack of support from her friends made it complicated Then something amazing happened that no one expected Come along with Stella as she finds her forever love in the most unlikely place This is the third book in the Your Way Series You'll see familiar faces but it can be read as a stand alone **Moody**

Amy Thomson,2022-05-12 There is a secret inside you which once you understand it fully has the capacity to unlock untold potential Once you learn the science of your hormones you will be able to harness it forever Hormones were something Amy Thomson who never paid attention to until one day her periods stopped and what had been an inconvenience each month became a barometer for her body's health and mental happiness When she discovered that her hormonal burnout was driven by stress she quit her job and focused on trying to understand how her body worked to establish why and how she had pushed herself too far In this guide Amy shares the research and science behind how our hormones work for twenty first century survival how understanding them can help you build better and healthier routines and why the systems and cycles inside us are an invisible but powerful force *Memorial Addresses on the Life and Character of James M.
