Moon Bear Scott Nicholson,2015-12-11 Moon Bear tells the tale of a little forest bear who unlike every other animal in the forest has no day job In fact he sleeps during the day and only comes out at night And that is because the only animal he can truly talk to and knows will listen isn't even an animal at all It's the moon The moon gives bear great advice and tells him just what to do and even makes things 100 times better by putting on a special light show every night The moon opens right up and pours out sights beyond your imagination But because of this every other animal in the forest thinks he's a freak Why not have a day job Are you lazy Have you gone insane Do what everyone else does You think you can talk to the moon DON'T BE A FOOL So naturally bear hides away cries himself to sleep and lives life in the shadows Until the day when the moon falls from the sky and tells Bear the most unfortunate secret imaginable He has to tell someone But what if no one listens What if he can't get help in time What is this blasted secret Harper's Young People ,1891 **"Let's Fly to the Moon Bear"** Emily Clark,2021-02-06 Isla wants to take Bear on a trip to the Moon But will they get there
