Moonglow Texas:

Moonglow, Texas Mary McBride,2011-03-21 She hated molasses paced Moonglow Texas She hated her new homespun identity And she didn't know whether to strangle or kiss the handsome Hawaiian shirt clad handyman who ruined more than he repaired But for all that Molly Hansen missed her old life making memories with Dan Shackelford didn't seem so bad Sure his sudden return home had the gossips talking and the women flocking But Dan seemed interested in her alone something that both terrified and titillated her Because she was no dummy and Dan was no Mr Fix It Was he the enemy she'd gone underground to avoid Or was he the man who would make it possible to love Moonglow and being Molly so long as he was part of the package

Hard-Headed Texan Candace Camp,2009-08-01 Okay maybe Antonia Campbell hadn't exactly found heaven in Angel Eye Texas But even if she did get mysterious midnight phone calls and her only bed warmer was a cat named Mitzi her life as a country vet was a lot better than what she'd left behind a stifling Virginia upbringing and an abusive ex husband Then a call to Daniel Sutton's ranch changed everything Sparks flew the minute they met and in his arms she felt petite protected and every inch a woman But Daniel's heart might not be as free as it first seemed and her mysterious caller appeared to have ideas of his own for her future Was everything about to fall apart just when heaven had seemed within reach

Daddy With a Badge Paula Detmer Riggs,2011-03-21 Rafe Cardoza was a government agent a professional who knew better than to let his emotions get in the way But that was before duty brought him back into Daniela Fabrizio's life as suddenly as he had been forced to leave it twenty years before The boy she'd once been forbidden to love was now the man responsible for Daniela's safety The single mom with a baby on the way wasn't sure what scared her more the fact that someone wanted her dead or that Rafe still wanted her Was he ready to take on fatherhood or would he walk away when his mission was accomplished

Warblers & Woodpeckers Sneed B. Collard III,2018-08-17 In the grandest sense the Big Year is more than just a game Though few mortals will ever tackle the endeavor most of us can appreciate the decision to follow a passion to its outer limits Dedicating a whole year to birds is an exhausting exhilarating occasionally demoralizing and addictive pursuit and anyone crazy enough to go the distance is in for a wild ride Noah Strycker Audubon What makes this big year book different is the father son bonding element the picture of a teenager that emerges has the ring of truth A proficient storyteller Collard writes with style about their travels together Kirkus Reviews From the killer bee infested border region of southeast Arizona to the sultry islands of the Galapagos Warblers Woodpeckers recounts the quest of a father and his thirteen year old son to see as many birds as possible in a single year With a measured blend of humor natural history and adventure this tale takes readers to great birding hotspots of America and beyond both to experience their incredible avian wealth and to experience the focused often eccentric world of ornithological travel Along the way readers share the ups and downs of the relationship between a father and his teenage son Writer Sneed Collard and his son Braden set out to establish their own personal Big Year bird species count record In Warblers Woodpeckers Sneed shares the excitement challenges

perils and insights that come with crisscrossing the country in search of some of Earth's most remarkable creatures. It's a father and son tale in which the adventure is in the journey and the surprising discoveries and encounters with our wondrous feathered friends. Sneed brings a fast-paced yet generous voice to the attempt and readers of all stripes will appreciate the way backyard birders can create their own Big Year.

Cops and...Lovers? Linda Castillo, 2011-03-21 After nine years as one of Chicago's finest Erin McNeal had come to sleepy Logan Falls for a second chance not to be watched over by a man as infuriatingly overprotective and disarmingly attractive as Nick Ryan She was no damsel in distress but someone wanted her dead and Nick knew better than to entrust a guilt-driven daredevil with her own safety It was his duty to protect her whether she liked it or not It seemed the only thing the chief of police and his newest deputy could agree on was the one thing they couldn't resist each other Could the cautious single father and the reckless beauty be cops and lovers

Dangerous Attraction Susan Vaughan, 2011-03-21 Michael Quinn's years as an undercover agent had marked him forever He wasn't a man who trusted anyone and that went double for the lovely mysterious woman he'd come to this isolated Maine village to investigate She thought he was her protector here to guard her against the threats she claimed she'd received But the truth was he'd been sent to uncover all her darkest secrets and maybe put her behind bars for a very long time But who was the real Marie Claire Saint Ange The dangerous criminal he suspected she was Or the achingly vulnerable woman who trembled in his arms night after night and made him long to believe in her innocence
