Moral Perception and Particularity Lawrence A. Blum, 1994-01-28 This collection of Laurence Blum's essays examines the moral import of emotion motivation judgement perception and group identifications **Moral Perception** (also available as Review Journal of Political Philosophy Volume 5) J. Jeremy Wisniewski, 2008-12-18 This journal has been discontinued Any issues are available to purchase separately *Iris Murdoch, Philosopher* Justin Brookes, 2012 Iris Murdoch was a notable philosopher before she was a notable novelist and her work was brave brilliant and independent This volume presents essays by critics and admirers of her work together with a long Introduction on her career reception and achievement an unpublished piece by Murdoch herself and a memoir by her husband John Bayley **Interpreting Visual Culture** Ian Heywood, Barry Sandywell, 2005-07-28 Interpreting Visual Culture brings together original writings from leading experts in art history philosophy sociology and cultural studies Ranging from an analysis of the role of vision in current critical discourse to discussion of specific examples taken from the visual arts ethics and sociology it presents the latest material on the interpretation of the visual in modern culture Among topics covered are the visual rhetoric of modernity the drawings of Bonnard recent feminist art practices and perception in arts and ethics **Islam and Biomedical Research Ethics** Mehrunisha Suleman, 2020-07-07 This book is a contribution to the nascent discourse on global health and biomedical research ethics involving Muslim populations and Islamic contexts It presents a rich sociological account about the ways in which debates and questions involving Islam within the biomedical research context are negotiated a perspective which is currently lacking within the broader bioethics literature The book tackles some key understudied areas including role of faith in moral deliberations within biomedical research ethics the moral anxiety and frustration experienced by researchers when having to negotiate multiple moral sources and how the marginalisation of women the prejudice and abuse faced by groups such as sex workers and those from the LGBT community are encountered and negotiated in such contexts The volume provides a valuable resource for researchers and scholars in this area by providing a systematic review of ethical guidelines and a rich case based account of the ethical issues emerging in biomedical research in contexts where Islam and the religious moral commitments of Muslims are pertinent The book will be essential for those conducting research in low and middle income countries that have significant Muslim populations and for those in Muslim minority settings It will also appeal to researchers and scholars in religious studies social sciences philosophy anthropology and theology as well as the fields of biomedical ethics Islamic ethics and global health **Moral Perception** Robert Audi, 2013-02-21 We can see a theft hear a lie and feel a stabbing These are morally important perceptions But are they also moral perceptions distinctively moral responses In this book Robert Audi develops an original account of moral perceptions shows how they figure in human experience and argues that they provide moral knowledge He offers a theory of perception as an informative representational relation to objects and events He describes the experiential elements in perception illustrates moral perception in relation to

everyday observations and explains how moral perception justifies moral judgments and contributes to objectivity in ethics Moral perception does not occur in isolation Intuition and emotion may facilitate it influence it and be elicited by it Audi explores the nature and variety of intuitions and their relation to both moral perception and emotion providing the broadest and most refined statement to date of his widely discussed intuitionist view in ethics He also distinguishes several kinds of moral disagreement and assesses the challenge it poses for ethical objectivism Philosophically argued but interdisciplinary in scope and interest Moral Perception advances our understanding of central problems in ethics moral psychology epistemology and the theory of the emotions

**Professional Integrity** Michael S. Pritchard, 2006 Examines what it means to be a responsible professional including the sorts of things thoughtful conscientious people ought to perceive and care about

Philosophical Studies in Education, 1994 Some vols consist of proceedings of the annual meeting of the Ohio Valley Philosophy of Education Society

**Social Theory and Practice**, 2006

**Reasonable Children** Michael S. Pritchard, 1996 The public outcry for a return to moral education in our schools has raised more dust than it s dispelled Building upon his provocative ideas in On Becoming Responsible Michael Pritchard clears the air with a sensible plan for promoting our children s moral education through the teaching of reasonableness Pritchard contends that children have a definite but frequently untapped capacity for reasonableness and that schools in a democratic society must make the nurturing of that capacity one of their primary aims as fundamental to learning as the development of reading writing and math skills Reasonableness itself he shows can be best cultivated through the practice of philosophical inquiry within a classroom community In such an environment children learn to work together to listen to one another to build on one another s ideas to probe assumptions and different perspectives and ultimately to think for themselves Advocating approaches to moral education that avoid mindless indoctrination and timid relativism Pritchard neither preaches nor hides behind abstractions He makes liberal use of actual classroom dialogues to illustrate children s remarkable capacity to engage in reasonable conversation about moral concepts involving fairness cheating loyalty truth telling lying making and keeping promises obedience character and responsibility He also links such discussions to fundamental concerns over law and moral authority the roles of teachers and parents and the relationship between church and state Pritchard draws broadly and deeply from the fields of philosophy and psychology as well as from his own extensive personal experience working with children and teachers The result is a rich and insightful work that provides real hope for the future of our children and their moral education

**Ethics** Lawrence M. Hinman, 1998 This book not only provides an introduction to the main traditions in ethical thought Aristotle and virtue ethics Mill and utilitarianism and Kant and deontology but also offers a conceptual framework ethical pluralism for understanding the relationship among these various theories

*Ethics and Morality in Sport Management* Joy Theresa DeSensi, Danny Rosenberg, 2003 This book represents a landmark effort to bring into focus the moral and ethical issues associated with the management of sport and sport organisations Within a sport context Joy

DeSensi and Danny Rosenberg have critically examined a view shared by virtually all business managers and scholars that ethics and morality in management is not only good for all concerned but a necessity in terms of the bottom line      **Love's Virtues** Mike W. Martin,1996 This book brings together a sensitive understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love Martin s discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read      Wittgenstein and Ethical Inquiry Jeremy Wisnewski,2007-07-15 Argues that Wittgenstein though himself often silent on particular ethical matters gives us immense resources for understanding the aims appropriate to any philosophical ethics This work re examines some of the landmarks in the history of moral philosophy in order to cast contemporary ethical philosophy in a fresh light      **Kant and Aquinas on Emotion and Virtuous Action** John Edward Taylor,1998      □□□□□□ ,2007      Kantian Moral Theory and the Destruction of the Self Sandra Jane Fairbanks,1997      The Moral Gap J. E. Hare,1996 In the final section of the book Hare looks in more detail at the Christian doctrines of atonement justification and sanctification He discusses Kierkegaard s account of the relation between the ethical life and the Christian life and ends by considering human forgiveness and the ways in which God s forgiveness is both like and unlike our forgiveness of each other      *Particularism and the Space of Moral Reasons* Benedict Smith,2011 By explicitly addressing moral knowledge from a particularists perspective this book can engage with an established and vibrant area of moral philosophy whilst making a distinctive and productive contribution to a relatively neglected dimension of it      International Philosophical Quarterly ,1997
