

THIRD EDITION

MORAL WISDOM

Lessons and Texts from the Catholic Tradition

JAMES F. KEENAN, SJ

Moral Wisdom

William Baldwin

Moral Wisdom:

Moral Wisdom James F. Keenan, 2010 At a time when religion and spirituality have been divorced from one another and morality and ethics are viewed as being confining rather than liberating Fr James Keenan has developed a new edition to his beloved book Moral Wisdom. There are new discussions of social sin and Pope Benedict XVI's encyclical *Caritas in Veritate* a clearer exploration of Jesus in the New Testament and new study questions at the end of each chapter. Moral wisdom as Fr Keenan calls it is the distinctive gift of the Catholic tradition a gift that helps us discern what values to pursue and which virtues to embody on the path to becoming who we really are and who God calls us to be. Fr Keenan uses a conversational style filled with stories and examples to open the treasure trove of resources in the Catholic tradition for developing moral wisdom. He lifts up the lessons on love, conscience, sin and suffering helping readers connect with the formative influences of the Catholic heritage and appreciate what gives meaning to our lives and what enhances our relationships with friends and family.

Moral Wisdom and Good Lives John Kekes, 2018-10-18 In this profound and yet accessible book John Kekes discusses moral wisdom a virtue essential to living a morally good and personally satisfying life. He advances a broad nontechnical argument that considers the adversities inherent in the human condition and assists in the achievement of good lives. The possession of moral wisdom Kekes asserts is a matter of degree more of it makes lives better less makes them worse. Exactly what is moral wisdom however and how should it be sought. Ancient Greek and medieval Christian philosophers were centrally concerned with it. By contrast modern Western sensibility doubts the existence of a moral order in reality and because we doubt it and have developed no alternatives we have grown dubious about the traditional idea of wisdom. Kekes returns to the classical Greek sources of Western philosophy to argue for the contemporary significance of moral wisdom. He develops a proposal that is eudaimonistic, secular, anthropocentric, pluralistic, individualistic and agonistic. He understands moral wisdom as focusing on the human effort to create many different forms of good lives. Although the approach is Aristotelian the author concentrates on formulating and defending a contemporary moral ideal. The importance of this ideal he shows lies in increasing our ability to cope with life's adversities by improving our judgment. In chapters on moral imagination, self-knowledge and moral depth Kekes calls attention to aspects of our inner life that have been neglected because of our cultural inattention to moral wisdom. He discusses these inner processes through the tragedies of Sophocles which can inspire us with their enduring moral significance and help us to understand the importance of moral wisdom to living a good life.

Back to Virtue Peter Kreeft, 2009-10-27 We have reduced all virtues to one being nice. And we measure Jesus by our standard instead of measuring our standard by Him. For the Christian explains author Peter Kreeft being virtuous is not a means to the end of pleasure, comfort and happiness. Virtue he reminds us is a word that means manly strength. But how do we know when we are being meek or just cowardly? When is our anger righteous and when is it a sin? What is the difference between being virtuous and merely ethical? Back to Virtue clears up these and countless other

questions that beset Christians today Kreeft not only summarizes scriptural and theological wisdom on leading a holy life he contrasts Christian virtue with other ethical systems He applies traditional moral theology to present day dilemmas such as abortion and nuclear armament Kreeft restores to us what was once common knowledge the Seven Deadly Sins have an antidote in the Beatitudes By setting up a close contrast between the two sets of behaviors Kreeft offers proven guidance in the often bewildering process of discerning right from wrong as we move into the questionable mores of the twenty first century He provides a road map of virtue a map for our earthly pilgrimage synthesized from the accumulated wisdom of centuries of Christians from Paul and the early Church Fathers through C S Lewis

Radical Virtues

Richard White,2008-03-20 Richard White explores how moral virtues affect and support social movements such as pacifism environmentalism multiculturalism and animal rights White s philosophical treatment of virtue ethics is extended through historical and cross cultural analysis to help the reader

The Moral Wisdom of the Catholic Church

Robert Spitzer,2022-11-01 Jesus said The truth will set you free Father Spitzer lays bare the theological and philosophical roots of Catholic morality and also uses secular statistical studies to demonstrate that these teachings even from a scientific standpoint help human beings to flourish Gathering data from universities general psychiatry medical institutes and general survey organizations such as Pew Research Gallup Research and Harris Poll this book shows that going against foundational Christian doctrines from marriage to the sanctity of unborn life leads to significant increases in depression anxiety substance abuse familial tensions suicidal contemplation The numbers speak for themselves Many people today particularly the young are embarrassed by the Church s moral teaching For them it is only an outdated expression of hatred or disgust Yet nothing could be further from the truth Sin is what degrades man and kills his joy and a moral life is a life of love If we tell the truth about destructive lifestyles we can rescue our loved ones from a life of darkness helping to bring about a shift in our culture With scientific clarity this work provides readers everything they need to know to speak credibly effectively and persuasively about the most controversial moral issues Imprimatur The Most Reverend Kevin J Vann J C D O D Bishop Diocese of Orange February 28 2021

The Principles of New Ethics III Wang Haiming,2020-05-17 From Descartes to Spinoza Western philosophers have attempted to propose an axiomatic systematization of ethics However without consensus on the contents and objects of ethics the system remains incomplete This four volume set presents a model that highlights a Chinese philosopher s insights on ethics after a 22 year study Three essential components of ethics are examined metaethics normative ethics and virtue ethics This volume is the second part of the discussion on normative ethics The author analyzes humanity liberty justice happiness and systems of moral rules He puts forward 26 value standards that construct a system of measuring state instruction reveals the relationship between humanity liberty and justice puts forward three objective laws of happiness and discusses the goodness of important moral rules such as honesty self respect and courage This set is an essential read for students and scholars of ethics and philosophy in general

The Sayings of the Wise; Or, Food for Thought

William

Baldwin,1908 The Sayings of the Wise, Or, Food for Thought William Baldwin,1908 Readings in Ethics Louis F. Groarke,Paul V. Groarke,Paolo Biondi,2021-06-10 An extraordinarily ambitious and broad anthology this book brings the writings of dozens of ethical traditions together in a single volume **The Sayings of the Wise; Or Food for Thought** William Baldwin,2015-06-27 Excerpt from The Sayings of the Wise Or Food for Thought A Book of Moral Wisdom Gathered From the Ancient Philosophers The central purpose of this Series of Books is not to excite the least ill will or prejudice towards any existing body of Christian men and women whatsoever but rather to implant and cherish in the hearts of all its Readers a perfect detestation and execration of Compulsion in Religion and of Persecution for Religious Opinions Christian History only too sadly demonstrates the truth of our blessed Lord s saying I came not to send peace but a sword because we mortals will not act upon the Golden Principle of Life that he has given us By this shall all men know that ye are my disciples if ye have love one to another About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Empirically Informed Ethics: Morality between Facts and Norms** Markus Christen,Carel van Schaik,Johannes Fischer,Markus Huppenbauer,Carmen Tanner,2013-10-07 This volume provides an overview of the most recent developments in empirical investigations of morality and assesses their impact and importance for ethical thinking It involves contributions of scholars both from philosophy theology and empirical sciences with firm standings in their own disciplines but an inclination to step across borders in particular the one between the world of facts and the world of norms Human morality is complex and probably even messy and this clean distinction becomes blurred whenever one looks more closely at the various components that enable and influence our moral actions and ethical orientations In that way morality may indeed be located between facts and norms and an empirically informed ethics that is less concerned with analytical purity but immerses into this moral complexity may be an important step to make the contributions of ethics to this world more valuable and relevant **ETHICS OF A CIVIL SERVANT: LEARNING ETHICS, INTEGRITY & APTITUDE WITH A TOUCH OF DHARMA** Team ARSu, Ethics book designed for Civil Services Examination conducted by UPSC with syllabus divided into three parts i e 1 Part 1 Ethics and Integrity in Civil Services covering topics on a Overview of Ethics and its interface with Civil Services Introduction Essence of Ethics Determinants of Ethics consequences of Ethics in Human Actions Dimensions of Ethics Ethics in Private and Public Relationship b Foundations of Ethical Concepts and Theories Contributions of Moral Thinkers and Philosophers from India and World Lessons from the lives and teachings of great leaders reformers and administrators Role of Family Society and
