More Goon Show Scripts Spike Milligan, 1975      The Life and Death of Peter Sellers Roger Lewis, 2025-07-17 A fascinating tragic and instructive story vividly told Sunday Telegraph Roger Lewis in his no holds barred biography exposes a Peter Sellers the world little knows Recognized as the greatest British comic since Charlie Chaplin Sellers was the grand master of fifty five films from Dr Strangelove to Being There and the Pink Panther hits But shadowing his phenomenal career was a history of increasingly bizarre behaviour involving psychotic violence compulsive promiscuity drug abuse and humiliating self destructive obsessions with people including Princess Margaret Sophia Loren Liza Minnelli and each of his four wives Ann Hayes Britt Ekland Miranda Quarry and Lynne Frederick He alternately showered his wives and children with gifts and then threatened to kill them Sellers fluidity as an actor made for a terrifying madness that grew like a slow metastasizing cancer throughout his adult life The Life and Death of Peter Sellers concludes with his premature death at the age of 54 sick at heart and alone in those sunless hotel rooms so recoiled from intimacy that no one really knew him anymore PRAISE FOR THE LIFE AND DEATH OF PETER SELLERS It is a mad book but then the subject is a madman I love Lewis s passion I recommend it Sunday Times Reinventing the genre as well as reassessing its subject with formidable intelligence this book is a remarkable achievement Literary Review      Encyclopedia of British Humorists Steven H. Gale, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company      Play Index Dorothy Herbert West, Dorothy Margaret Peake, Estelle A. Fidell, 1961 Index to more than 30 000 plays written from Antiquity to the present and published from 1949 to the present includes mysteries pageants plays in verse puppet performances radio and television plays and classic drama All Play master records contain a link to the results of an Internet metasearch of specially selected Web sites to link to full text criticism and other useful information      **Subject Catalog** Library of Congress,      150 Glimpses of the Beatles Craig Brown, 2020-10-13 Winner of the 2020 Baillie Gifford Prize for Non Fiction A distinctive portrait of the Fab Four by one of the sharpest and wittiest writers of our time If you want to know what it was like to live those extraordinary Beatles years in real time read this book Alan Johnson The Spectator Though fifty years have passed since the breakup of the Beatles the fab four continue to occupy an utterly unique place in popular culture Their influence extends far beyond music and into realms as diverse as fashion and fine art sexual politics and religion When they appeared on The Ed Sullivan Show in 1964 fresh off the plane from England they provoked an epidemic of hoarse throated fandom that continues to this day Who better then to capture the Beatles phenomenon than Craig Brown the inimitable author of Ninety Nine Glimpses of Princess Margaret and master chronicler of the foibles and foppishness of British high society This wide ranging portrait of the four lads from Liverpool rivals the unique spectacle of the band itself by delving into a vast catalog of heretofore unexamined lore When actress Eleanor Bron touched down at Heathrow with the Beatles she thought that a flock of starlings had alighted on the roof of the terminal only to discover that the birds were in fact young women screaming at

the top of their lungs One journalist mistaken for Paul McCartney as he trailed the band in his car found himself nearly crushed to death as fans climbed atop the vehicle and pressed their bodies against the windshield Or what about the Baptist preacher who claimed that the Beatles synchronized their songs with the rhythm of an infant s heartbeat so as to induce a hypnotic state in listeners And just how many people have employed the services of a Canadian dentist who bought John Lennon s tooth at auction extracted its DNA and now offers paternity tests to those hoping to sue his estate 150 Glimpses of the Beatles is above all a distinctively kaleidoscopic examination of the Beatles effect on the world around them and the world they helped bring into being Part anthropology and part memoir and enriched by the recollections of everyone from Tom Hanks to Bruce Springsteen this book is a humorous elegiac and at times madcap take on the Beatles role in the making of the sixties and of music as we know it      **National Union Catalog** ,1973 Includes entries for maps and atlases
