**The Legacy of Sarah Chambers (Volume 2)** Center for Michael Teachings, Inc., 2012-12-12 We are here with you today. With those few words in August 1973 Sarah Chambers her husband Richard and their good friends Alice and Dick started a journey that took them far beyond anything they could possibly imagine. They explored the unseen realm of the spiritual world with their teacher Michael. Along with good friend Eugene Trout they created a new spiritual teaching based in love that helps people become more of who they truly are. The group kept transcripts of their meetings and those transcripts were copied and passed around to their friends and coworkers then copied and passed to many others over the years. Volume 2 contains compilations drawings charts information about the group members and a history of the Michael Teachings. Why am I here someone asked one night Michael answered To hear the words you didn't hear 2 000 years ago. Maybe this time you will listen.

Journey of Your Soul Shepherd Hoodwin, 2013-04-23 A fascinating discussion of the Michael teachings an extraordinary body of channeled work that addresses the fundamental questions of what it means to be human from an expert Michael channel. Michael is a group of souls who teach that we are eternal beings journeying from the Tao and back again in an adventure of exploration and creativity. Each step along the way we make choices that shape our experience. For example after committing to a series of lifetimes we choose one of seven roles or soul types server priest artisan sage warrior king or scholar. These teachings address many age old questions such as How did we become who we are? Why are we here? Where are we going and How does the universe work? In addition *Journey of Your Soul* sheds light on the channeling process itself answering questions such as How does channeling work? Why do different channels receive conflicting information and What does it take to become a channel? Hoodwin shows us that it is possible and indeed beneficial to engage all parts of the human consciousness. His unique analytical approach to channeling will help readers gain a firm intellectual understanding of what is involved. In his foreword Jon Klimo PhD author of *Channeling Investigations on Receiving Information from Paranormal Sources* says Shepherd Hoodwin has given us one of the best books to date about the phenomenon of channeling. *Journey of Your Soul* may well also be the best of the Michael books due to its clarity thoroughness and detail and thanks to the fact that the author an exceptionally clearheaded Michael channel himself brings real integrity and authenticity to our
