

I Love You More Than Just A Friend

**I love you more than just a friend
Although this may be wrong
My feelings that I have for you
Are real and true and strong**

**I wont deny the love I have
I cannot tell a lie
I've loved you since we met last year
The days that followed by**

**I love you still I think of you
Each passing of each day
I yearn to be with you again
To tell you it's okay**

**I love you more than just a friend
And we may never be
Together walking hand in hand
Just you, your love and me**

Embracing the Song of Term: An Psychological Symphony within **More Poems**

In some sort of eaten by screens and the ceaseless chatter of immediate connection, the melodic elegance and mental symphony produced by the prepared word usually fade in to the background, eclipsed by the persistent sound and interruptions that permeate our lives. But, nestled within the pages of **More Poems** an enchanting fictional value overflowing with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that interesting masterpiece conducts readers on a psychological trip, well unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths with this emotional examination, we will examine the book is central harmonies, analyze their enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
