**A MISSIONARY LOOKS AT 12 STEPS TO OVERCOME ADDICTION AND SIN** Richard Lehman, 2023-02-28 A Christian based 12 step process helps us to overcome addiction by attaching to the faithful love of the Savior enabling healthy relationships with other people And so a missionary Richard Lehman looks at the 12 step process and prayerfully applies the wisdom of the scriptures to it And in doing so he has also found this process helpful in providing insights into how to work with different individuals to bring them to Christ Richard spends much time training hundreds of other ministers And in addition to helping those addicted this 12 step process has become a key resource for training gospel workers who help those that are addicted Experience has proved that everyone wrestles with deep hurts of some kind There is a deep empty hole in the heart of the soul and it must be filled somehow How we fill that hole or comfort ourselves within that empty space will determine what sin we become addicted to It is sin someone else s or ours that ultimately first creates a void in the heart of the individual Unfaithfulness is the sin of betrayal Someone trusted another with their heart and then that same person broke their heart It happens to children in their relationship with their parents or relatives or trusted others It happens often within many marriage relationships And it happens within everyone s life at some point by how their own sin betrays the faithful love of the Savior And so people go through life hiding the pain of betrayal Instead of seeking for healing through a loving Savior they resort to other things And in doing so they become addicted to some substance some sin or both And they often don t know where to start to find a way out This book seeks to help them not only start down the right path but to also find complete healing through the love of our Lord Jesus Christ So throughout this 12 step process you will see that the book is addressed to two audiences at the same time Those who need help over addictions and those that are trying to help them And there is an important reason for this Because people who need help to overcome addictions need to completely trust those that are working with them And so if you are using this process to help them these people also want transparency and understanding as to what they are being asked to do and why There can be no hidden agendas in helping people Jesus came so that relationships can be healed He

also sent the comforter of the Holy Spirit so that every pain that sinful mankind could bring against us could still be comforted and healed in this life If ye love me keep my commandments And I will pray the Father and he shall give you another Comforter that he may abide with you for ever Even the Spirit of truth whom the world cannot receive because it seeth him not neither knoweth him but ye know him for he dwelleth with you and shall be in you I will not leave you comfortless I will come to you John 14 15 18

**Strategies For Health** Steven Horne, RH (AHG), 2022-01-14 If you're looking to solve your own health problems help someone you love or you're searching for answers

to assist customers or clients this practical guide to natural remedies will help you succeed This book is the result of the healing journey I started fifty years ago when I failed to find answers to my own chronic respiratory problems After years of getting worse with allopathic treatments I discovered a different approach I started studying and applying the use of herbs diet and other natural modalities I went from being a sickly teenager to a healthy young adult For the past forty years I have been consulting writing and teaching sharing what I have learned to help other people experience the same health transformation I wrote *Strategies for Health* to share this knowledge so that anyone who is struggling with poor health can move beyond symptomatic relief and start learning how to achieve lasting health To get better results this book teaches you to find and adopt strategies to correct the underlying root causes of disease such as nutritional deficiencies exposure to toxins unresolved stress and poor lifestyle habits Because when you look beyond treating disease symptoms and correct these root causes the body returns to its natural state health This is the approach that I have taken to successfully care for myself and my family It has also helped me transform the lives of my clients and teach hundreds of successful natural health consultants to do the same And I hope the information in this book will help bring the same health and wellbeing to you and many others Steven Horne RH AHG DHS DHM      **How to be Your Own Herbal Pharmacist** Linda Page,1998-12 How to combine herbs to address all aspects of specific ailments Linda Page has been saying it for years Good food is good medicine Now in her new revolutionary cookbook set she presents the latest information about the problems with today s food supply and shows how to use food as medicine for healing and for wellness      Helping Others Overcome Addictions Steve McVey,Mike Quarles,2012-08-01 Does Christianity have an answer for addiction As longtime pastor Mike Quarles s alcoholism worsened over eight years churches and Christians referred him to treatment 12 Step programs therapy nothing worked Steve McVey also a pastor repeatedly dished out the same advice Mike received with similarly poor results Until in their frustration God led them back to basic addiction breaking truths of His Word The authors explain these for readers who want to help someone or who struggle themselves because freedom from addiction is found only when Christians fully believe what God says about their identity move beyond the 12 Step concept of inescapable addict identity stop harboring unforgiveness get radically right with God and dwell in who they are in Christ which excludes engaging in addictive behaviors as a lifestyle Material on codependency is included as is information on implementing recovery support groups for those leaving addiction and starting to live in God s glorious freedom      *Discovering the Revelations of God* Thomas Idler,2024-05-29 If you re wondering where God is and whether He s real consider the obvious If He is real wouldn t He reveal Himself and give us the answers we re looking for Surely those answers should be right in front of us Even though God has given us nine witnesses of His existence the world seems to have come up with alternative explanations How would you interpret these witnesses Will you follow what the world says or instead acknowledge what each witness says about God God revealed Himself to me face to face although I didn t realize it right away I saw how genuine God is how pure His heart is and

how transparent His message is When I had my God moment everything got set into motion and that's why I wrote this book You are precious to God and you are precious to me God will reveal Himself to you throughout your life and hopefully this book will help you to more clearly understand Him

**Addictions** Anthony Ekanem,2016-08-08 When you are suffering from an addiction it can feel like your entire life is out of control and you have no power to stop yourself from using again and again When you are addicted to something it can also feel like you re completely alone and have nowhere to turn These are all common mindsets for someone who has an addiction to any substance whether that is food cigarettes or other tobacco products alcohol prescription or illegal drugs and even sex But neither are you alone in your addiction nor do you have to be a slave to addiction for the rest of your life That s exactly why this book exists It is very easy to feel like you are the only one who is experiencing your particular addiction or the level of addiction you re experiencing but the truth is there are millions of others who experience exactly the same things that you do That s because addiction affects more than 10% of the United States population That means if you were to get on a typical city bus there are probably two or three people on that bus besides you that are suffering from some kind of addiction Don t fool yourself either having a food addiction or being unable to quit drinking alcohol is the same as an addiction to a drug or any other substance Addiction is addiction no matter what the substances
