## Overcrowded Barracoon Other Articles:

*The overcrowded barracoon and other articles* V. S. Naipaul,1969      **The overcrowded barracoon and other articles**  
Vidiadhar Surajprasad Naipaul,1976      *The Mauritian Paradox* Ramtohul, Ramola,Eriksen, Thomas Hylland,2018-04-12  
Speaking of Mauritius as an economic miracle has become a clich and with good reason Its development since Independence in 1968 can easily be narrated as a rags to riches story In addition it is a stable democracy capable of containing the conflict potential inherent in its complex ethnic and religious demography This book brings together some of the finest scholarship domestic as well as foreign on contemporary Mauritius offering perspectives from constitutional law cultural studies sociology archaeology economics social anthropology and more While celebrating the indisputable and impressive achievements of the Mauritian nation on its fiftieth birthday this book is far from toothless Looking back inevitably implies looking ahead and in order to do so critical self scrutiny is essential to be able to learn from the mistakes of the past The contributors raise fundamental questions concerning a broad range of issues from the dilemmas of multiculturalism to the marginal role of women in public life from the question of constitutional reform and the continued problem of corruption to the slow destruction of Mauritius joy and pride namely the beauty and purity of its natural scenery Taking stock of the first fifty years this book also looks ahead to the next fifty years giving some cues as to where Mauritius can and should aim in the next decades      *V. S. Naipaul of Trinidad* Nivedita Misra,2024-01-09 The book is about V S Naipaul who was born in Trinidad in 1932 At the age of 18 Naipaul left Trinidad on a scholarship to study literature at Oxford He never returned to live in Trinidad His first book was published in 1956 and by the time Trinidad achieved political independence in 1962 he had published four books and was firmly established as a writer in England By the time Trinidad became a republic in 1976 Naipaul had written 13 books and had travelled through much of the postcolonial world This book highlights how Trinidad and Naipaul were bound in a love hate relationship where Naipaul continued to pass Trinidad off as a cynical island where nothing was created while Trinidad had its share by laying back a claim on him and his writing It is generally perceived that Naipaul shunned his place of birth as he called his birth in Trinidad a mistake Trinidad an unimportant uncreative cynical place and the Caribbean as the Third World s Third World His refusal to acknowledge Trinidad in his initial response to receiving the Nobel Prize added insult to injury Yet he was deeply bound to the island of Trinidad and his roots in the Indo Trinidadian community This book makes Naipaul s connection to Trinidad more than evident and as such adds to the present body of knowledge      **The First Naipaul World Epics** ,2021-07-31 The plethora of commentary from highly respected voices in a broad cross section of academic disciplines which V S Naipaul s death on 11 August 2018 elicited ranged so widely both cognitively and emotionally that if a student of literature unfamiliar with the Naipaulian era read it all they would have failed to make sense of the divergences Allegations included that he was a cruel man a scarred man the darkest dungeons of colonialism incarnate self punishing self loathing world loathing full of nastiness and fury a ventriloquist for the

nastiest cliches European colonialism had devised to rule the world with arrogance and confidence and so on On the other hand writers referred to Naipaul as a brilliant writer s writer one who holds a mirror of imagination unto society to capture a certain view of reality and one who has turned the genre of the travelogue into an art form Debates aside many of us appreciate the value of Naipaul s writing to the deepest possible comprehension of the imperial impulse and the myriad reasons it manifested as colonialism The First Naipaul World Epics is the first in a series of critical collections that aim to demonstrate this value At the same time the series seeks to help the new student through the quagmire of divergent opinions his personality and writing have generated

**V.S. Naipaul, Caribbean Writing, and Caribbean Thought**

William Ghosh,2020-11-12 V S Naipaul was one of the most influential and controversial writers of the twentieth century His writings on colonialism and its aftermath on migration and landscape and on cultural loss and creativity were both admired and criticised by a wide global audience But what of his relationship to the region of his birth Born in Trinidad of Indian ancestry and spending his professional life in England Naipaul could be dismissive of his Caribbean background He presented himself as a citizen of nowhere or else of the globalized postcolonial world However this obscures his intense competition fierce disagreements and close collaboration with other Caribbean intellectuals both as a schoolchild in colonial Trinidad and as an internationally celebrated author V S Naipaul Caribbean Writing and Caribbean Thought looks again at Naipaul s relationship with his birthplace It shows that that the decolonising Caribbean was the crucible in which Naipaul s style and outlook were formed Moreover understanding Naipaul s place in the history of the region s politics and letters sheds new light on the work of celebrated contemporaries Derek Walcott and Kamau Brathwaite George Lamming and Maryse Cond Elsa Goveia and Eric Williams Sylvia Wynter and C L R James Literary criticism intellectual biography and an essay in the history of ideas this book offers a new account of Caribbean thought in the decades after independence It reveals a literary culture of creative vibrancy in an era of unprecedented change

**Out of the Crowded Vagueness**

Brian Dyde,2005 A studied yet extremely readable history of St Kitts an island which has changed hands several times over its turbulent history This is the first full length history of the island from first human settlement up to independence and beyond
