The longer the church remains divided and disconnected from each other, the longer it will take to accomplish the work Jesus has assigned us to do. You may be thinking, I'm just one person. Joey LeTourneau's book shows you how to Become a catalyst that releases uncommon unity in your unique sphere of influence. Recognize your identity and essential role in the global community of God. Receive and release vision that transforms culture. Position yourself to sow into future generations and empower emerging leaders. It is time for you to access the secrets to walking in the same dynamic presence and power of God that were normal for the first-century Church and play your part in turning the world upside down.

Discipline Yourself for Godliness Dr. John S. Barnett, 2010-03 Life comes at us from every direction with instructions. Others think we should follow. But worldly strategies often leave out one key directive: God's plan for our lives. The Word-filled life. Dr. Barnett closely studied the nearly 3,000 lives recorded in the Bible, as well as many of the major figures who have crossed the world's stage, to find those God used to magnify His Name in this world. The common denominator was their choosing to discipline themselves for God to find the quality life that He wants for each of us. The Scriptures offer instruction on how to have a joyous, Word-filled life that includes better relationships with our God, our families, our friends, and a work life that can be satisfying, purposeful, and rewarding. This richly researched and practical study guide of God's Word shows how He wants to greatly bless us and offers His clear guidelines for how to have an exciting lifetime filled with confidence, purpose, direction, and hope.
