

An artistic illustration of three owls, likely Great Horned Owls, perched on a rocky surface with some greenery. The owls are rendered in a painterly style with detailed feathers in shades of brown, tan, and white. They are set against a deep purple background. The owl in the foreground is slightly to the right, looking towards the viewer. Behind it and to the left are two more owls, one slightly higher and further back than the other, both also looking forward.
