Ozine Conquest:

Science Fiction and Fantasy Literature, 1975-1991 R. Reginald, Mary Wickizer Burgess, Daryl Furumi Mallett, 1992

Science fiction constitutes one of the largest and most widely read genres in literature and this reference provides bibliographical data on some 20 000 science fiction fantasy and horror fiction books as well as nonfiction monographs about the literature. A companion to Reginald's *Science Fiction and Fantasy Literature 1700-1974* Gale 1979 the present volume is alphabetically arranged by approximately 10 000 author names. The entry for each individual work includes title, publisher, date and place published, number of pages, hardbound or paperback format and type of book (novel, anthology, etc.). Where appropriate, entries also provide translation notes, series information, pseudonyms and remarks on special features such as celebrity introductions. Includes indexes of titles, series, awards and doubles for locating volumes containing two novels.

Gibraltar the Conquest of Iberia is the story of the Moorish conquest of Spain around 711 AD. By the early 8th century AD Islam has spread out of Arabia into parts of China, India, Central Asia and Africa. It rules much of the known world. In Hispania Roderick and his Visigoth hordes have burnt the land and violently seized power from the legitimate and just King Wittiza who writes to his friend the Sultan of Damascus. A delegation of monks also arrives at the Sultan's palace after being turned away by Rome and Byzantium. The Sultan sends his best men under the General Tariq ibn Ziyad the Conqueror of Iberia a gifted leader and warrior, Hafiz Scholar of the Koran and expert in mystical martial arts that he has learned at the palace from the riders of the silk route. Along with him goes Imam Bilal Al Din a Malian scholar who has grown up as an orphan at the palace in Damascus alongside Tariq. They take with them the most skilled men from Arabian, African and Mediterranean tribes the multi-racial foundation of the Moorish Iberian community under Islam that sail into Iberia numbering 5000 souls. Conquest David Donachie, 2024-02-06

The final volume in the sweeping Conquest trilogy. Over twenty years the de Hauteville brothers have risen from penniless obscurity to become the most potent warrior family in Christendom, depended on by the Pope, feared by Byzantium and respected by the Holy Roman Emperor. And now Roger, the youngest son, has finally come to Italy where he also proves himself to be a great warrior and canny politician. It is he who will raise the family to the pinnacle of influence not as vassals beholden to a greater power but as rulers in their own right. But the path is not easy brotherly love only goes so far and nothing has altered in the bubbling stew of Italian politics. There are enemies at Roger's back as well as before him, battles to fight and defeats to be reversed, treacheries both

secret and transparent to circumvent Yet the loyalty of blood that binds this family of warriors together is still present and it is that above everything which will in the end be the catalyst that propels the name de Hauteville to the pinnacle of power as they face the mighty Saracen Emirs of Sicily and undertake with papal blessing the first true crusade of the eleventh century
