P38 Lightning In Action:

P-38 Lightning in Action Gene B. Stafford, 1976 *P-38 Lightning at War* Joe Christy, Jeffrey L. Ethell, 1978 This classic title traces the history of the Lightning from the earliest Lockheed Model 22 through the severe compressibility problems of the prototype YP 38 to the P 38L 5 the fighter bomber reconnaissance aircraft of the USAAF in Italy and the Pacific Graphically illustrated with over 200 action photographs and many eyewitness accounts this book tells the story of a unique and innovative aircraft revered for its adaptability and ability to limp home on one engine where other aircraft would have been destroyed

Elements of Telegraph Operating ; Elementary Telegraphy ; Telegraphy ; Telegraph Repeaters ; Power Equipment ,1913 *The Private War of Howie Beach* Howie Beach, 2009-07 For some strange reason there was a common belief among World War Two vets that except for families relatives and close friends the general public really was not interested in their lives as combat soldiers The passing of time has helped those veterans who are alive today to feel comfortable in contributing their military exploits and personal history Mine is but one of many stories that can be told yet as time marches on I realize the extraordinary circumstance which allowed me to survive from Normandy to the Elbe It has served to validate historical accounts of key battles in five major campaigns and the atrocities committed by Germany before our freeing of surviving prisoners from death camps I also feel it my duty as an existing veteran of World War Two to honor my fallen combat brothers who deserved so much more for their valor than a humble grave or burial at sea Their heroics values and comradeship are etched indelibly in my memory To whatever degree I am able I wish to give life and meaning to those men who died so long ago and from whose ultimate sacrifice we have secured the liberties and freedoms we so long have enjoyed I must say I feel an added urgency to leave to the world and my posterity an eyewitness record of those historic eleven months from our landing on Omaha Beach to meeting the Russian Army on the Elbe River and the subsequent occupation of defeated Nazi Germany Author s statement
