

HEALING TRAUMA

www.lisaaromano.com

When you experience abuse you are forced to separate from your inner world. When the inner world is too scary, the mind will find ways to deny, avoid and compartmentalize traumatic experiences.

As we heal, we learn to:

Look within.
Search for our light.
Listen for our light.
Hear our light.
Feel our light.
Embrace our light.
Return to our light.
Anchor to our light.
Merge with our light.
Love our light.
Walk with our light.

We learn to accept the darkness within is there but it is not because we are ill or defective.

Trauma is what happened to us.
Darkness, pain and sadness are the effects.

We are not the cause.
Compassion for what happened to us helps us heal what the mind has tried to protect us from.
