Meanings of Violence

A Cross Cultural Perspective

Meanings Of Violence A Crobcultural Perspective

Anthropological Society of Oxford

Meanings Of Violence A Crosscultural Perspective:

Meanings of Violence Jon Abbink, Göran Aijmer, 2020-08-20 There are good reasons to look at violence from new perspectives In its endless manifestations violence is part and parcel of human existence and is very probably a constituting element of human society And yet violent action warfare penalties insults feuding assault murder rape suicide sports remains in all its complexity one of the least understood fields of human social life The book's contributors identify the symbolic and ritualized aspects of violence and suggest ways of reading violence as it occurs in the world whether as violent duelling and age group violence in Southern Ethiopia bullfighting in Iberia cattle rustling in Kenya guerrilla and militia wars in Colombia or public executions in China These case studies suggest that violence is not a simple universal urge but is contingent and context dependent shaped by social relations of power force and dominance To be the victim of violence is a humiliating and frightening experience But the many ambiguities that occur in the use of violence must be considered to understand why peace seems only to exist as a contrast to the violation of peace

Family Violence in Cross-Cultural Perspective

David Levinson, 1989 How prevalent is family violence outside the United States Can policies and programs designed to prevent family violence in one culture be adapted to other cultures Does a relationship exist between general violence and family violence in a given society These are but a few of the questions addressed in this compelling well written volume The author uses ethnographic data culled from 90 different societies to develop a global picture of the incidence causes and correlates of family violence Through the use of both quantitative analysis and ethnographic description Levinson tests the explanation power of various current theories against worldwide family violence data For anyone working in the area of family violence this volume is a must I found the work to be exceptional I surely will want to adopt it for my graduate course in the Sociology of Deviance Bob Regoli University of Colorado at Boulder The book would be extremely useful I know of no comparative work of this type now available The author writes well and is an accomplished scholar Mary Riege Laner Arizona State University This book can provide much illumination on world wide family violence The accounts given by ethnographers add life to the statistics given Anyone interested in broadening his or her knowledge of family violence would do well with this book *Family Violence Bulletin* Levinson has made extensive use of the collection of cultural materials from the Human Relations Area files to examine the question of how common family violence is in different societies and what factors tend to make such violence more or less common in those societies He has reached a number of very important conclusions which provide a solid basis for further research Useful in developing an understanding of the way in which family violence occurs and may be helpful in programs to prevent the occurrence of such violence New Jersey Family Lawyer Provides thought provoking material about family violence which will be of interest to many audiences This comparative study should help fill a critical gap *Journal of Marriage and the Family* The author gives examples of societies where family violence is virtually unknown to disprove the view that it is somehow natural and inevitable Because of this wider perspective on a common problem this book

is worthwhile reading for anyone dealing professionally with couples or families where violence is likely to occur Sexual and Marital Therapy An important addition to the anthropological study of deviance important to students interested in deviant behavior family and gender issues and the social construction of violence NEXUS The Canadian Journal of Anthropology Those interested in examining family violence from a broader cross cultural perspective that will suggest hypotheses for understanding and preventing family violence at the societal level in our own culture will find Family Violence in Cross Cultural Perspective to be most interesting reading Review and Expositor Inc Justice-based ethics Chris Jones,2018-12-01 The book reflects academically on important and relevant ethical fields from a multidimensional South African context The book challenges conventional borders from different ethical theological philosophical economic and cultural perspectives with insight and expertise and seeks to add academic ethical value locally and globally with its different points of departure deeply embedded in justice From a mainly qualitative methodological perspective this scholarly book demonstrates that ethics requires analytical thinking and critical people who in an existentially and emancipatory way can help make the world a more just decent and humane place in which to live The authors who represent different academic and cultural backgrounds present in their respective chapters their research systematically intersectionally and constructivistically based on profound theoretical analysis and reasoning This epistemology results in an act of knowing that actively gives meaning and order to the reality to which it is responding By doing this they point out that people are in an ongoing process of becoming more human allowing ourselves and our fellow human beings to flourish and to reach fuller potential through justice based ethical reflection and action Open Fire Charles Springwood,2006-12-01 Guns are everywhere three quarters of a billion guns from pistols to machine guns exist in the world today And guns are everything a hard won symbol of individual freedom an index of crime and disorder a whole industry legitimately contributing to an economy a popular piece of sports equipment and an object of desire endlessly duplicated by toys video games and films Open Fire presents a broad analysis of the social cultural and political significance of firearms and the worlds they create Illustrated with a wide range of case material from North and South America Europe Asia and Africa Open Fire explores and questions this global icon of our times Why do guns proliferate What does it mean to shoot or to be shot Who owns guns and who does not How is a firearm a manufactured thing very different from any other object Is there such a thing as a gun psychology How are firearms regarded in places where they are largely non existent Is a gun a different thing when held by a white man **Nature and Identity in Cross-Cultural Perspective** A. Buttner,L. Wallin,2013-04-17 Nature and Identity in Cross Cultural Perspective presents 20 essays which explore diverse cultural interpretations of the earth s surface Contrasted with each other and with the potentially cosmopolitan culture of science these detailed studies of ways in which different cultures conceptualise nature appear in the context of global environmental change Understanding across cultural lines has never been more important This book shows how individual cultures see their own histories as offering protection for nature while often viewing others

as lacking such ethical restraints Through such writing a discourse of understanding and common action becomes possible The authors come from the places they discuss and offer passionate as well as scholarly visions of nature within their cultural homes Audience This volume is of interest to academics and professionals working in the fields of cultural geography environmental history environmental studies history of environmental ideas environmental education landscape and literature nature and culture It can be used for courses in the above mentioned areas and seminars in comparative literature It can also be used as a complimentary text to provide cultural context to literary readings and for seminars on cultural aspects of the environment *Domestic Violence Cross Cultural Perspective* M. Basheer Ahmed M.D.,2009-07-28 Domestic violence is a global phenomenon occurring among people of all races ages social economic status educational and religious backgrounds Family roles values customs and expectations are deeply rooted within a persons culture and religious traditions As our society becomes increasingly multi cultural it is critical that we understand domestic violence within a cross cultural context Such an understanding will enable us to develop culturally appropriate interventions in addressing the issue of domestic violence in our communities Many community and religious leaders are not familiar of the incidence of domestic violence among immigrant population and lack the knowledge of the effect of domestic violence on the victims their children the legal implications and the resources available for them This book is written for health professionals religious and community leaders in a simple language to make them familiar with some unique feature of people following different religions and cultures **Stress of War, Conflict and Disaster** George Fink,2010-11-25 Stress is a universal phenomenon that impacts adversely on most people Following on the heels of Stress Science Neuroendocrinology and Stress Consequences Mental Neuropsychological and Socioeconomic this third derivative volume will provide a readily accessible and affordable compendium that explains the phenomenon of stress as it relates physically and mentally to war conflict and disaster The first section will be dedicated to study of the link between stress and various forms of conflict Specific instances of conflict will be discussed the Gulf wars Korea Hiroshima bombing the Holocaust 9 11 Northern Ireland terrorism in general torture The second section will explore the stress impact of more general physical disasters such as airline and vehicle accidents earthquakes floods and hurricanes The final section will focus on the clinical relationship between conflict stress and various mental diseases PTSD suicide disaster syndrome etc as well as the adverse impact of stress on human physical health in general Comprised of about 100 top articles selected from Elsevier s Encyclopedias of Stress the volume will provide a valuable desk reference that will put relevant articles readily at the fingertips of all scientists who consider stress Chapters offer impressive and unique scope with topics addressing the relationship between stress generated by war conflict and disaster and various physical mental disorders Richly illustrated with over 200 figures dozens in color Articles carefully selected by one of the world s most preeminent stress researchers and contributors represent the most outstanding scholarship in the field with each chapter providing fully vetted and reliable expert knowledge Encyclopedia of Violence,

Peace, & Conflict: A-F Lester R. Kurtz, 2008 Provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life An essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change

Violence Prevention & Intervention in Early Childhood Christopher Watson, 2004 *Journal of Chinese Religions*, 2008

Review of culture, 2014

Being Scioto Hopewell: Ritual Drama and Personhood in Cross-Cultural Perspective Christopher Carr, 2022-01-05 This book in two volumes breathes fresh air empirically methodologically and theoretically into understanding the rich ceremonial lives the philosophical religious knowledge and the impressive material feats and labor organization that distinguish Hopewell Indians of central Ohio and neighboring regions during the first centuries CE The first volume defines cross culturally for the first time the ritual drama as a genre of social performance It reconstructs and compares parts of 14 such dramas that Hopewellian and other Woodland period peoples performed in their ceremonial centers to help the soul like essences of their deceased make the journey to an afterlife The second volume builds and critiques ten formal cross cultural models of personhood and the self and infers the nature of Scioto Hopewell people s ontology Two facets of their ontology are found to have been instrumental in their creating the intercommunity alliances and cooperation and gathering the labor required to construct their huge multicomunity ceremonial centers a relational collective concept of the self defined by the ethical quality of the relationships one has with other beings and a concept of multiple soul like essences that compose a human being and can be harnessed strategically to create familial like ethical bonds of cooperation among individuals and communities The archaeological reconstructions of Hopewellian ritual dramas and concepts of personhood and the self and of Hopewell people s strategic uses of these are informed by three large surveys of historic Woodland and Plains Indians narratives ideas and rites about journeys to afterlives the creatures who inhabit the cosmos and the nature and functions of soul like essences coupled with rich contextual archaeological and bioarchaeological taphonomic analyses The bioarchaeological taphonomic method of l anthropologie de terrain new to North American archaeology is introduced and applied In all the research in this book vitalizes a vision of an anthropology committed to native logic and motivation and skeptical of the imposition of Western world views and categories onto native peoples

Journal of the Anthropological Society of Oxford Anthropological Society of Oxford, 2002

Applied Psychology: India Specific and Cross-cultural Perspectives, *The Cultural Lives of Capital Punishment* Austin Sarat, Christian Boulanger, 2005-06-02 How does the way we think and feel about the world around us affect the existence and administration of the death penalty What role does capital punishment play in defining our political and cultural identity In this volume the authors argue that in order to understand the death penalty we need to know more about the cultural lives past and present of the state s ultimate sanction

China Perspectives, 2009

European Journal of East Asian Studies, 2003

Race Riots and Resistance Jan Voogd, 2008 Race Riots and Resistance uncovers a

long hidden tragic chapter of American history Focusing on the Red Summer of 1919 in which black communities were targeted by white mobs the book examines the contexts out of which white racial violence arose It shows how the riots transcended any particularity of cause and in doing so calls into question many longstanding beliefs about racial violence The book goes on to portray the riots as a phenomenon documenting the number of incidents describing the events in detail and analyzing the patterns that emerge from looking at the riots collectively Finally and significantly Race Riots and Resistance argues that the response to the riots marked an early stage of what came to be known as the Civil Rights Movement

Cross-cultural Perspectives in Introductory Psychology William F. Price, Richley H. Crapo, 2002 By William F Price North Country Community College and Richley H Crapo Utah State University This timely revision contains 26 articles on cultural groups around the globe and is an ideal companion volume to any introductory psychology text Where appropriate in the standard curriculum of the introductory course the authors include a cross cultural reading or vignette that enriches the traditional material of the course The book is designed to increase student understanding of the similarities and differences among the peoples of the world as they relate to psychological principles concepts and issues As topics are covered in the introductory course readings offer another dimension

Globalization and Africa James L. Maruba, 2008 Globalisation can be described as a process by which the people of the world are unified into a single society This process is a combination of economic technological sociocultural and political forces Looking specifically at economic globalisation it can be measured in different ways These centre on the four main economic flows that characterise globalisation goods and services e g exports plus imports as a proportion of national income or per capita of population labour people e g net migration rates inward or outward migration flows weighted by population capital e g inward or outward direct investment as a proportion of national income or per head of population technology e g international research and development flows proportion of populations and rates of change thereof using particular inventions especially factor neutral technological advances such as the telephone motorcar broadband This volume centres on globalisation and its processes in Africa

Meanings Of Violence A Crobcultural Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Meanings Of Violence A Crobcultural Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Meanings Of Violence A Crobcultural Perspective has opened up a world of possibilities. Downloading Meanings Of Violence A Crobcultural Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Meanings Of Violence A Crobcultural Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Meanings Of Violence A Crobcultural Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Meanings Of Violence A Crobcultural Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Meanings Of Violence A Crobcultural Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Meanings Of Violence A Crobcultural Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Meanings Of Violence A Crobcultural Perspective Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Meanings Of Violence A Crobcultural Perspective is one of the best book in our library for free trial. We provide copy of Meanings Of Violence A Crobcultural Perspective in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Meanings Of Violence A Crobcultural Perspective. Where to download Meanings Of Violence A Crobcultural Perspective online for free? Are you looking for Meanings Of Violence A Crobcultural Perspective PDF? This is definitely going to save you time and cash in something you should think about.
