Measure Of A Man The A Spiritual Autobiography:

Measure of a Man Sidney Poitier, 2001-05-01 The acclaimed actor reveals the depth passion and intellectual fervor that have driven his life and career citing the elements of his childhood that gave him his sense of worth family and ethics and how these qualities are essential to spiritual development

The Measure of a Man Sidney Poitier, 2007-01-26 I have no wish to play the pontificating fool pretending that I've suddenly come up with the answers to all life's questions Quite the contrary I began this book as an exploration an exercise in self-questioning In other words I wanted to find out as I looked back at a long and complicated life with many twists and turns how well I've done at measuring up to the values I myself have set Sidney Poitier In this luminous memoir a true American icon looks back on his celebrated life and career His body of work is arguably the most morally significant in cinematic history and the power and influence of that work are indicative of the character of the man behind the many storied roles Sidney Poitier here explores these elements of character and personal values to take his own measure as a man as a husband and a father and as an actor Poitier credits his parents and his childhood on tiny Cat Island in the Bahamas for equipping him with the unflinching sense of right and wrong and of self-worth that he has never surrendered and that have dramatically shaped his world In the kind of place where I grew up recalls Poitier what's coming at you is the sound of the sea and the smell of the wind and momma's voice and the voice of your dad and the craziness of your brothers and sisters and that's it Without television radio and material distractions to obscure what matters most he could enjoy the simple things endure the long commitments and find true meaning in his life Poitier was uncompromising as he pursued a personal and public life that would honor his upbringing and the invaluable legacy of his parents Just a few years after his introduction to indoor plumbing and the automobile Poitier broke racial barrier after racial barrier to launch a pioneering acting career Committed to the notion that what one does for a living articulates to who one is Poitier played only forceful and affecting characters who said something positive useful and lasting about the human condition Here is Poitier's own introspective look at what has informed his performances and his life Poitier explores the nature of sacrifice and commitment price and humility rage and forgiveness and paying the price for artistic integrity What emerges is a picture of a man in the face of limits his own and the world's A triumph of the spirit *The Measure of a Man* captures the essential Poitier

Focus On: 100 Most Popular American Autobiographers Wikipedia contributors, **Focus On: 100 Most Popular Former Roman Catholics** Wikipedia contributors, *Bernard Lonergan* Pierrot Lambert, Philip McShane, 2013-10-15 Recounts the startling reach of Bernard Lonergan 1904-1984 in areas as diverse as pragmatic self-knowledge mathematical logic and metalogic economics and systematic theology The final chapters highlight the importance of physics in his magnum opus *Insight* as well as his breakthrough identification of a practical theory of history

Focus On: 100 Most Popular American Agnostics Wikipedia contributors, *Black Passports* Stephanie Y. Evans, 2014-05-15 A resource guide that uses African American memoir to address a variety of issues related to mentoring

and curriculum development In this resource guide for fostering youth empowerment Stephanie Y Evans offers creative commentary on two hundred autobiographies that contain African American travel memoirs of places around the world The narratives are by such well known figures as Frederick Douglass W E B Du Bois Billie Holiday Maya Angelou Malcolm X James Baldwin Muhammad Ali Richard Pryor Angela Davis Condoleezza Rice and President Barack Obama as well as by many lesser known travelers The book addresses a variety of issues related to mentoring and curriculum development It serves as a tool for literary mentoring where students of all ages can gain knowledge and wisdom from texts in the same way achieved by one on one mentoring and it also provides ideas for incorporating these memoirs into lessons on history geography vocabulary and writing Focusing on four main mentoring themes life school work and cultural exchange Evans encourages readers to comb the texts for models of how to manage attitudes behaviors and choices in order to be successful in transnational settings This book provides a new and refreshing way to think about Black youth and issues of empowerment It will be a useful tool for teachers parents scholars and community organizers leaders and activists Valerie Grim Indiana University Bloomington

African American Lives Henry Louis Gates Jr., Evelyn Brooks Higginbotham, 2004-04-29 African American Lives offers up to date authoritative biographies of some 600 noteworthy African Americans These 1 000 3 000 word biographies selected from over five thousand entries in the forthcoming eight volume African American National Biography illuminate African American history through the immediacy of individual experience From Esteban the earliest known African to set foot in North America in 1528 right up to the continuing careers of Venus and Serena Williams these stories of the renowned and the near forgotten give us a new view of American history Our past is revealed from personal perspectives that in turn inspire move entertain and even infuriate the reader Subjects include slaves and abolitionists writers politicians and business people musicians and dancers artists and athletes victims of injustice and the lawyers journalists and civil rights leaders who gave them a voice Their experiences and accomplishments combine to expose the complexity of race as an overriding issue in America s past and present African American Lives features frequent cross references among related entries over 300 illustrations and a general index supplemented by indexes organized by chronology occupation or area of renown and winners of particular honors such as the Spingarn Medal Nobel Prize and Pulitzer Prize
