

THE MEANING OF TINGO

*and OTHER EXTRAORDINARY
WORDS FROM AROUND THE WORLD*

WRITTEN BY Adam Jacot de Boinod

tingo (Pascuense, Easter Island)
to take all the objects one desires
from the house of a friend, one
at a time, by borrowing them
nakhur (Persian) a camel that
won't give milk until its nostrils
are tickled

areodjarekput (Inuit) to
exchange wives for a few days only
marilopotes (Ancient Greek)
a gulper of coal dust

bakku-shan (Japanese) a woman
who seems pretty when seen from
behind but not from the front
Zechpreller (German) someone
who leaves without paying the bill

Meaning Of Tingo And Other Extraordinary Words From Around The World

Richard Bailey

Meaning Of Tingo And Other Extraordinary Words From Around The World:

The Meaning of Tingo Adam Jacot de Boinod, 2007-02-27 Did you know that in Hungary pigs go rof rof rof but in Japan they go boo boo boo That there s apparently the need in Bolivia for a word that means I was rather too drunk last night but it was all their fault Adam Jacot de Boinod s book on extraordinary words from around the world will give you the definitions and phrases you need to make friends in every culture A true writer s resource and the perfect gift for linguists librarians logophiles and international jet setters While there s no guarantee you ll never pana po o again Hawaiian for scratch your head in order to help you remember something you ve forgotten or mingmu Chinese for die without regret at least you ll know what tingo means and that s a start A book no well stocked bookshelf cistern top or handbag should be without At last we know those Eskimo words for snow and how the Dutch render the sound of Rice Krispies Adam Jacot de Boinod has produced an absolutely delicious little book It goes Pif Paf Pouf Cric Crac Croc and Knisper Knasper Knusper on every page Stephen Fry

The Meaning of Tingo Adam Jacot de Boinod, 2006-03 **Don't Believe a Word: The Surprising Truth About Language** David Shariatmadari, 2020-01-07 A linguist s entertaining and highly informed guide to what languages are and how they function Think you know language Think again There are languages that change when your mother in law is present The language you speak could make you more prone to accidents Swear words are produced in a special part of your brain Over the past few decades we have reached new frontiers of linguistic knowledge Linguists can now explain how and why language changes describe its structures and map its activity in the brain But despite these advances much of what people believe about language is based on folklore instinct or hearsay We imagine a word s origin is it s true meaning that foreign languages are full of untranslatable words or that grammatical mistakes undermine English In Don t Believe A Word linguist David Shariatmadari takes us on a mind boggling journey through the science of language urging us to abandon our prejudices in a bid to uncover the far more interesting truth about what we do with words Exploding nine widely held myths about language while introducing us to some of the fundamental insights of modern linguistics Shariatmadari is an energetic guide to the beauty and quirkiness of humanity s greatest achievement *Building Imaginary Worlds* Mark J.P.

Wolf, 2014-03-14 Mark J P Wolf s study of imaginary worlds theorizes world building within and across media including literature comics film radio television board games video games the Internet and more Building Imaginary Worlds departs from prior approaches to imaginary worlds that focused mainly on narrative medium or genre and instead considers imaginary worlds as dynamic entities in and of themselves Wolf argues that imaginary worlds which are often transnarrative transmedial and transauthorial in nature are compelling objects of inquiry for Media Studies Chapters touch on a theoretical analysis of how world building extends beyond storytelling the engagement of the audience and the way worlds are conceptualized and experienced a history of imaginary worlds that follows their development over three millennia from the fictional islands of Homer s Odyssey to the present internarrative theory examining how narratives set in the same world can

interact and relate to one another an examination of transmedial growth and adaptation and what happens when worlds make the jump between media an analysis of the transauthorial nature of imaginary worlds the resulting concentric circles of authorship and related topics of canonicity participatory worlds and subcreation s relationship with divine Creation Building Imaginary Worlds also provides the scholar of imaginary worlds with a glossary of terms and a detailed timeline that spans three millennia and more than 1 400 imaginary worlds listing their names creators and the works in which they first appeared

Untranslatability Duncan Large,Motoko Akashi,Wanda Jóźwikowska,Emily Rose,2018-07-27 This volume is the first of its kind to explore the notion of untranslatability from a wide variety of interdisciplinary perspectives and its implications within the broader context of translation studies Featuring contributions from both leading authorities and emerging scholars in the field the book looks to go beyond traditional comparisons of target texts and their sources to more rigorously investigate the myriad ways in which the term untranslatability is both conceptualized and applied The first half of the volume focuses on untranslatability as a theoretical or philosophical construct both to ground and extend the term s conceptual remit while the second half is composed of case studies in which the term is applied and contextualized in a diverse set of literary text types and genres including poetry philosophical works song lyrics memoir and scripture A final chapter examines untranslatability in the real world and the challenges it brings in practical contexts Extending the conversation in this burgeoning contemporary debate this volume is key reading for graduate students and researchers in translation studies comparative literature gender studies and philosophy of language The editors are grateful to the University of East Anglia Faculty of Arts and Humanities who supported the book with a publication grant

The Oxford Handbook of the Word John R. Taylor,2015-06-25 This handbook addresses words in all their multifarious aspects and brings together scholars from every relevant discipline to do so The many subjects covered include word frequencies sounds and sound symbolism the structure of words taboo words lexical borrowing words in dictionaries and thesauri word origins and change place and personal names nicknames taxonomies word acquisition and bilingualism words in the mind word disorders and word games puns and puzzles Words are the most basic of all linguistic units the aspect of language of which everyone is likely to be most conscious A new word that makes it into the OED is prime news when baby says its first word its parents reckon it has started to speak knowing a language is often taken to mean knowing its words and languages are seen to be related by the similarities between their words Up to the twentieth century linguistic description was mainly an account of words and all the current subdivisions of linguistics have something to say about them A notable feature of human languages is the sheer vastness of their word inventories and scholars and writers have sometimes deliberately increased the richness of their languages by coining or importing new items into their word hoards The book presents scholarship and research in a manner that meets the interests of students and professionals and satisfies the curiosity of the educated reader

The Elements of Expression Arthur Plotnik,2012-06-01 More than ever in this completely updated edition The Elements of

Expression helps word users light up the cosmos or the written page or the face across the table as they seek the radiance of expressiveness the vivid expression of thoughts feelings and observations Nothing kills radiance like the murky generic language dominating today's talk airwaves and posts It tugs at our every sentence but using it to express anything beyond the ordinary is like flapping the tongue to escape gravity The Elements of Expression offers an adventurous and inspiring flight into words that truly share what's percolating in our minds Here writers presenters students bloggers even well intentioned Mad Men will discover language to convey precise feelings move audiences delight and persuade No snob or scold the acclaimed word maven Arthur Plotnik explores the full range of expressiveness from playful tough talk to finely wrought literature with hundreds of rousing examples Confessing that we are all like a squid in its ink when first groping for luminous expression he shines his amiable wit on the elements leading ultimately to language of fissionable intensity

Twice Upon a Marigold Jean Ferris, 2009-04-06 Since Queen Olympia's fateful fall into the river newlyweds Christian and Marigold have been living happily ever after And they had every intention of keeping it that way until they find out that Olympia may not be as gone as they thought Turns out Olympia is alive and well in a faraway village having lost her memory after her ill timed tumble But one day she awakes and remembers her previous glory as queen Accompanied by Lazy Susan Sleeping Beauty's slacker sister and Stan Lucasa a gentleman with a surprising destiny Olympia returns determined to take back the kingdom Yet thanks to a cast of familiar characters grabbing the throne may not be as easy as Olympia thinks

Meaning Of Tingo And Other Extraordinary Words From Around The World Introduction

In the digital age, access to information has become easier than ever before. The ability to download Meaning Of Tingo And Other Extraordinary Words From Around The World has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Meaning Of Tingo And Other Extraordinary Words From Around The World has opened up a world of possibilities. Downloading Meaning Of Tingo And Other Extraordinary Words From Around The World provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Meaning Of Tingo And Other Extraordinary Words From Around The World has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Meaning Of Tingo And Other Extraordinary Words From Around The World. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Meaning Of Tingo And Other Extraordinary Words From Around The World. Some websites may offer pirated or illegally obtained copies of copyrighted

material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Meaning Of Tingo And Other Extraordinary Words From Around The World, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Meaning Of Tingo And Other Extraordinary Words From Around The World has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Meaning Of Tingo And Other Extraordinary Words From Around The World Books
