Love Is Everywhere 365 Ways to Live a Life of Love J.B. Ralph, 2013-09-26 Love Love Love I love you I love you a lot I love you more every day I love you when you do that I love your tie I love your hair I love that color No I don't love you anymore What is going on The wisest and most sophisticated scholars writers songwriters and historians have tried to explain what love really is What is this thing called love one song asks The prince gave up the English throne for love People get married because they are in love and get divorced because they are not in love any longer Do they know what they are doing Do they really know about love We hear that there is love of ones self There is love of family There is love of little children There is love of our friends and associates There is love of the sick and needy Our neighbors and friends talk about and show love Community organizations talk about and work for acts of love Public officials talk about and show love by what they say and what they do for us Of course there certainly is love of ones

country By the way that love wends its way through our daily lives and the love of others is the meaning of love only in the eyes of those who see it Or is love a true miracle Can we learn love by observing others Perhaps Some people confuse love with acts of lust or passion It might be a word to express certain random or planned acts Maybe so Acts of love can be spontaneous Love and acts of love can pop up in unusual places Love really shows up in many things that we do but we do not consider them to be love We feel that it is just what we do The Hebrew language recognizes shalom as a word for peace just as the Arabic language recognizes salaam as peace Peace is surely a practical word for the practice of love To fulfill the interest of sharing love life and happiness it is traditional to agree to a legal relationship of marriage between two individuals Unfortunately there may come a time when the individuals find that their feeling and acts of love may not be enough to support the relationship The end can and will result in a legal divorce compounded with long lasting multiple effects on both each person and on others Perhaps they did not know enough about love and a real loving relationship Grounds for a divorce in marriage can include desertion cruelty adultery differences substance abuse violence instability neglect or endangerment No one claims that there is too much love Freedom can cost less than 500 Having a divorce can cause issues of religion spousal and child support child custody the sale of property changes in finances living arrangements jobs schedules and adjustments for the dependent children All these are in spite of a solemn promise to love honor and obey Rational behavior is not required In its trial divorce can affect parent child relationships childrens feelings of anger depression and embarrassment resulting in their reduced school performance delinquency truancy substance abuse and disturbing behavior About half of first marriages end in divorce in a few years A second try at marriage can follow soon after There are books on how to make war destroy people and how to get rich But I never saw a simple book to explain love a secret ingredient of life for all living creatures Now there is one Recently there appeared on cyberspace undocumented definitions of love as provided by very young children A group of professional people asked a group of four to eight year olds What does love mean The answers they gave seemed to be more concerned with real life than what many adults would have immediately imagined to be love The twenty one definitions from the children are in part 1 of this document To go further into this project I submitted the responses in part 1 to adults asking them to also add their definitions of love Part 2 consists of 344 adult d

Shakespeare on Love and Lust Maurice Charney,2002-07-22 The complex and sometimes contradictory expressions of love in Shakespeare's works ranging from the serious to the absurd and back again arise primarily from his dramatic and theatrical flair rather than from a unified philosophy of love Untangling his witty bawdy and ambiguous treatment of love sex and desire requires a sharp eye and a steady hand In Shakespeare on Love and Lust noted scholar Maurice Charney delves

deeply into Shakespeare's rhetorical and thematic development of this largest of subjects to reveal what makes his plays and poems resonate with contemporary audiences The paradigmatic star crossed lovers of Romeo and Juliet the comic confusions of couples wandering through the wood in A Midsummer Night's Dream Othello's tragic jealousy the homoerotic ways Shakespeare played with cross dressing on the Elizabethan stage Charney explores the world in which Shakespeare lived and how it is reflected and transformed in the one he created While focusing primarily on desire between young lovers Charney also explores themes of love in marriage Brutus and Portia and in same sex pairings Antonio and Sebastian Against the conventions of Renaissance literature Shakespeare qualified the Platonic view that true love transcends the physical Instead as Charney demonstrates love in Shakespeare's work is almost always sexual as well as spiritual and the full range of desire's dramatic possibilities is displayed Shakespeare on Love and Lust begins by considering the ways in which Shakespeare drew upon and satirized the conventions of Petrarchan Renaissance love poetry in plays like Romeo and Juliet then explores how courtship is woven into the basic plot formula of the comedies Next Charney examines love in the tragedies and the enemies of love Iago for example Later chapters cover the gender complications in such plays as Macbeth and The Taming of the Shrew as well as the homoerotic themes woven into many of the poems and plays Charney concludes with a lively discussion of paradoxes and ambivalences about love expressed by Shakespeare's word play and sexual innuendoes **A Measure of Love** Lady Iris Margaret Origo,1957 **A South Window; Or, "Keep Yourselves in the Love of God."** George Frederick Pentecost,1893 *A Measure of Love* Salvation Army (Tyler, Tex.).
