Marie Ensnared

Christina Wieland

Marie Ensnared:

Marie Ensnared Elisabeth Barillé,1991 **The Undead Mother** Christina Wieland,2018-03-29 A state of mourning is something that the late twentieth century has been uniquely unable to achieve A culture based on the interchangeability of products and people a throw away culture is not conducive to mourning Inanimate objects have replaced human ideals A culture of virtual reality which finds it difficult to distinguish between the living and the inanimate has been created a culture of the undead This culture is not grounded on human relationships but in the destruction of them In this book Christina Wieland offers the reader a far reaching and devastating critique of masculinity femininity and contemporary culture Drawing inspiration from the work of Melanie Klein the author demonstrates how the Western psyche is based upon denial of the power of the mother and the elevation of the father into a repressive authoritarian figure This act of universal matricide has wrought havoc throughout Western culture As Wieland graphically illustrates both women and men are denied the opportunity to mourn their separation from the mother but must contend instead with the guilt that surrounds her murder and the ever present terror of her vengeful return as the undead mother Reappraising masculinity and femininity the author revisits a wide and fascinating range of myths fairytales and stories Her critique casts new light on the writings of Freud Klein Kristeva and Irigaray Her vivid presentations of clinical material also show how the undead mother makes her presence felt in the consulting room and the steps which can be taken towards more genuine reparative mourning **The Orphan in Eighteenth-Century Fiction** E. König,2014-05-29 The Orphan in Eighteenth Century Fiction explores how the figure of the orphan was shaped by changing social and historical circumstances Analysing sixteen major novels from Defoe to Austen this original study explains the undiminished popularity of literary orphans and reveals their key role in the construction of gendered subjectivity *Richard Strauss* Willi Schuh,1982-07-08 **A Biographical Encyclopedia of Early Modern Englishwomen** Carole Levin,Anna Riehl Bertolet,Jo Eldridge Carney,2016-11-03 From the exemplary to the notorious to the obscure this comprehensive and innovative encyclopedia showcases the worthy women of early modern England Poets princesses or pirates the women of power and agency found in these pages are indeed worth knowing and this volume will introduce many female figures to even the most established scholars in early modern studies Rather than using the conventional alphabetical format of the standard biographical encyclopedia this volume is divided into categories of women Since many women will fit in more than one category each woman is placed in the category that best exemplifies her life and is cross referenced in other appropriate sections This structure makes the book an interesting read for seasoned scholars of early modern women while students need not already be familiar with these subjects in order to benefit from the text Another unusual feature of this reference work is that each entry begins with some incident from the woman's life that is particularly exciting or significant Some entries are very brief while others are extensive Each includes a source listing The book is well illustrated and liberally sprinkled with quotations of the time either by or about the women in the text **Chief**

Contemporary Dramatists ,1921 **Chief Contemporary Dramatists** Thomas H. Dickinson,2009-12-01 Chief Contemporary Dramatists second series features 18 plays from England Ireland America France Germany Austria Italy Spain Russia and Scandinavia selected and edited by Thomas H Dickinson Facsimile reprint 1921 edition **The Soldier of Pennaflor: Or, a Season in Ireland. A Tale of the Eighteenth Century, Etc** ,1810 **Chief Contemporary Dramatists, Second Series** Thomas H.
