Pacific Hellfire:

Pacific Hellfire Jonathan Scofield, 1982 **Pacific Hellfire** Lawrence Cortesi, 1983-03-01 *The Pacific War* Christina Twomey, Ernest Koh, 2014-09-15 The Pacific War is an umbrella term that refers collectively to a disparate set of wars however this book presents a strong case for considering this assemblage of conflicts as a collective singular war It highlights the genuine thematic commonalities in the legacies of war that cohere across the Asia Pacific and shows how the wars both individually and collectively wrought dramatic change to the geo political makeup of the region This book discusses the cultural political and social implications of the Pacific War and engages with debates over the war s impact legacies and continuing cultural resonances Crucially it examines the meanings and significance of the Second World War from a truly international perspective and the contributors present fascinating case studies that highlight the myriad of localised idiosyncrasies in how the Pacific War has been remembered and deployed in political contexts The chapters trace the shared legacy that the individual wars had on demographics culture and mobility across the Asia Pacific and demonstrate how in the aftermath of the war political borders were transformed and new nation states emerged The book also considers racial and sexual tensions which accompanied the arrival of both Allied and Axis personnel and their long lasting consequences as well as the impact returning veterans and the war crime trials that followed the conflict had on societies in the region In doing so it succeeds in illuminating the events and issues that unfolded in the weeks months and indeed decades after the war This interdisciplinary volume examines the aftermaths and legacies of war for individuals communities and institutions across South Southeast and East Asia Oceania and the Pacific world As such it will be welcomed by students and scholars of Asian history modern history and cultural history as well as by those interested in issues of memory and commemoration

War at the End of the World James P. Duffy, 2023-12-05 A harrowing account of an epic yet nearly forgotten battle of World War II General Douglas MacArthur s four year assault on the Pacific War s most hostile battleground the mountainous jungle cloaked island of New Guinea A meaty engrossing narrative history This will likely stand as the definitive account of the New Guinea campaign The Christian Science Monitor One American soldier called it a green hell on earth Monsoon soaked wilderness debilitating heat impassable mountains torrential rivers and disease infested swamps New Guinea was a battleground far more deadly than the most fanatical of enemy troops Japanese forces numbering some 600 000 men began landing in January 1942 determined to seize the island as a cornerstone of the Empire s strategy to knock Australia out of the war Allied Commander in Chief General Douglas MacArthur committed 340 000 Americans as well as tens of thousands of Australian Dutch and New Guinea troops to retake New Guinea at all costs What followed was a four year campaign that involved some of the most horrific warfare in history At first emboldened by easy victories throughout the Pacific the Japanese soon encountered in New Guinea a roadblock akin to the Germans disastrous attempt to take Moscow a catastrophic setback to their war machine For the Americans victory in New Guinea was the first essential step in the long

march towards the Japanese home islands and the ultimate destruction of Hirohito's empire. Winning the war in New Guinea was of critical importance to MacArthur. His avowed "I shall return to the Philippines" could only be accomplished after taking the island. In this gripping narrative, historian James P. Duffy chronicles the most ruthless combat of the Pacific War, a fight complicated by rampant tropical disease, violent rainstorms, and unforgiving terrain that punished both Axis and Allied forces alike. Drawing on primary sources, *War at the End of the World* fills in a crucial gap in the history of World War II while offering readers a narrative of the first rank. *Reign Of X Vol. 14* Leah Williams, 2022-09-28. Collects X Factor 2020 10 Way of X 2021 3 Children of the Atom 2021 6 Marauders 2019 22 X Men 2021 1. Tragic endings and new beginnings in the Reign of X. X Factor faces an eventful night at the Hellfire Gala as secrets are revealed and a fatal discovery is made. The morning after Nightcrawler deals with the hangover and tries to root out the evil working to destroy Krakoa. But did any of the Children of the Atom make it to the biggest party of the year? When the truth finally comes out about these heroic teens, they face a heartbreaking goodbye, maybe forever. And as the flames of Hellfire past come licking at the heels of the Inner Circle, a new blockbuster era begins. The first elected team of X-Men is here, and they intend to save the world. *Pipeline from Hell* David Bannerman, 1984-02. **Pacific Siege** Lawrence Cortesi, 1984. **The War Against Japan, 1941-1945** John J. Sbrega, 2015-06-12. With over 5,200 entries, this volume remains one of the most extensive annotated bibliographies on the USA's fight against Japan in the Second World War. Including books, articles, and declassified documents up to the end of 1987, the book is organized into six categories. Part 1 presents reference works including encyclopedias, pictorial accounts, military histories, East Asian histories, historiographies. Part 2 covers diplomatic, political aspects of the war against Japan. Part 3 contains sources on the economic and legal aspects of the war against Japan. Part 4 presents sources on the military aspects of the war embracing land, air, and sea forces. Religious aspects of the war are covered in Part 5, and Part 6 deals with the social and cultural aspects, including substantial sections on the treatment of Japanese minorities in the USA, Hawaii, Canada, and Peru. **The Hellfire Club. 1925** Edwin Beresford Chancellor, 1925. *Asia-Pacific Defence Reporter*, 2001. **Way Of X By Si Spurrier Vol. 1** Si Spurrier, 2021-11-17. Collects Way of X 2021 1 5 X-Men: The Onslaught Revelation 2021 1. Only one mutant senses the looming shadows. On Krakoa, mutantkind has built a new Eden, but there are serpents in this garden. Some mutants struggle to fit in. Some mutants turn to violence and death. And the children whisper of the Patchwork Man singing in their hearts. Snared by questions of death, law, and love, only Nightcrawler can fight for the soul of Krakoa. Only he and the curious crew he assembles can help mutants defeat their inner darkness and find a new way to live. But the malevolent force hiding within Krakoa has begun to show its true form, and answers are hidden within the Mindscape. What happens when the third law of Krakoa is broken? What happens when all other solutions have failed? What happens when Nightcrawler finally finds the Way? *The Battle for Manila* Lawrence Cortesi, 1984. *Aircraft & Aerospace Asia-Pacific*, 2005. *The Amindra Gamble* John Sherlock, David Westheimer, S.
