

Pagan Eulogy

[He/She as appropriate]

**Of flesh and blood
that nature gives to our breath
must one day be given back
for life was lent by Earth's hand
and now it is returned**

(The Deceased) though lives always in us

**She is the movement of the swaying tree
The light that dawns our day
She is the sparkle glistening on the sea
The energy of the wave
She is the melody of the singing bird
The notes that flutter down
She is the rustling leaves that can be heard
The greening of the ground**

**All that was
that nature gave
became our love, our life, our friend**

**All that was
that nature gave
through us need never end**

**(The deceased) , we return nature's gift
with the privilege such a gift was given**

Pagan Poems:

Pagan Poems Carolyn Emerick, 2017-02-26 Pagan Poems is an illustrated collection of poetry written by Carolyn Emerick. The poetry is inspired by myth and folklore, the beauty of nature, the human senses, and of course love. This collection is the antithesis of modernist styles of poetry. Stylistic influences include classics such as Byron, Poe, and Shakespeare. This will appeal to those who love classical lyrical poetry, rhythm, rhyme, and meter, and to those who love to be transported to misty, other realms of the mind. The volume is richly illustrated in full color to aid in the full aesthetic experience. **Pagan Poems** Franklin Henry Giddings, 1914 **The Oak Grove** Melanie Huggett, 2005-03 The Oak Grove is a collection of poems covering a variety of subjects. Taking the reader from the forest to the ocean, from deep winter to summer, it includes verses that show the raw emotions brought on by the abuse of Mother Earth. Other poems such as Morning Walk with Her are deeply spiritual. The reader will also find poetry that tells of some of the difficulties that many pagans face in today's society as they follow their much misunderstood religion. The Oak Grove also includes two longer humorous poems. Jest uncovers the mystery of a court jester found dead in the roof rafters minus his hose. Besom Riding Blues is a lighthearted romp featuring a naughty young witch whose flying antics leave a lot to be desired. This book is for those who love life, nature, and care about our Mother Earth. Pagan Poems Franklin Henry 1855-1931 Giddings, 2025-05-22 Pagan Poems is a collection of verse by Franklin Henry Giddings, originally published in 1914. These poems reflect a sensibility attuned to nature and explore themes that resonate with pagan ideals, offering a glimpse into the early 20th-century American poetic landscape. Giddings, better known for his work in sociology, reveals a different facet of his intellectual life through these lyrical expressions. This collection provides insight into the artistic and philosophical interests of a prominent social scientist, showcasing his engagement with the natural world and spiritual themes beyond the realm of academic study. Pagan Poems remains a testament to the multifaceted nature of intellectual inquiry and the enduring allure of poetic expression. The Treasury of American Folk Poetry Joseph C. Pagan,2012-04 This treasury is a collection of lyric poems and some of my college poetry which I have written and put together in this simple book The lyric poems are songs which discuss all aspects of the American lifestyle I have composed music for most of them even though all of it may not be written down I start with ordinary social gatherings and expand into the joys and lulls of love and romance I sing to the people of America and anyone else who will listen I write about some different types of music that personify our culture I try

to give some cheer to the depressed and sing about growing up in Southern California Sometimes it is just a song in passing about someone I have known or simply care about This is my contribution to the American heritage There is much more and it would please me if you read on and learn about a softer side of life **A Pagan Book of Holidays J.
