*Paddy Mayne* Hamish Ross,2004-09-01 After seeing action in Syria with the Commandos Paddy Mayne joined the new unit that David Stirling was establishing the Special Air Service The raids Mayne led in the Western Desert destroyed over 100 enemy aircraft on the ground Hamish Ross seeks to refute negative interpretations of Mayne's life using official war diaries the early chronicle of 1 SAS Mayne's papers and diaries and a number of extended interviews with key contemporaries

*Paddy Mayne* Hamish Ross,2011-08-26 The best biography I've read recently Colin Bateman Sunday Independent An excellent examination of Mayne Ross corrects many of the myths about him that have flourished over the years History of War magazine This welcome reassessment officially backed and well researched sets the record straight Soldier Magazine Paddy Mayne was one of the most outstanding special forces leaders of the Second World War Hamish Ross's authoritative study follows Mayne from solicitor and rugby international to troop commander in the Commandos and then the SAS whose leader he later became and whose annals he graced winning the DSO and three bars the Croix de Guerre and the Legion d'Honneur Mayne's achievements attracted attention and after his early death legends emerged based largely on anecdote and assertion Hamish Ross's closely researched biography challenges much of the received version using contemporary sources the official war diaries the chronicle of 1 SAS Mayne's papers and diaries and a number of extended interviews with key contemporaries Ross's analysis shows Mayne to be a dynamic yet principled and thoughtful man committed to the unit's original concepts He was far from flawless but his leadership and tactical brilliance in the field secured the reputation of the SAS proving he was every bit a rogue hero

*SAS* Stewart McClean,2006 An illustrated history of the Special Raiding Squadron this book details the formation of the unit the lives of the men and their operations during the Sicilian and Italian campaigns and the extraordinary man who commanded the squadron Robert Blair Mayne DSO or Colonel Paddy as he became famously known throughout the world

**Bolt Action: Campaign: Italy: Soft Underbelly** Warlord Games,2021-10-28 With the Axis Powers ejected from North Africa the Western Allies look to take the fight across the Mediterranean and into Mussolini's Italy This supplement for Bolt Action focuses on Operation Husky the airborne and naval invasion of Sicily the hard fought battles in the villages and rugged mountain passes of that island and the advance up the Italian Peninsula towards Rome With a host of scenarios new units special rules and Theatre Selectors this book contains everything players need to refight these important battles in defence of the Regno d'Italia or to strike at the underbelly of Axis controlled Europe

**Rogue Heroes** Ben Macintyre,2016-10-04 NEW YORK TIMES BESTSELLER The incredible untold story of World War II's greatest secret fighting force as told by the modern master of wartime intrigue

now an original series on MGM Reads like a mashup of The Dirty Dozen and The Great Escape with a sprinkling of Ocean's 11 thrown in for good measure Michiko Kakutani The New York Times ONE OF NPR'S BEST BOOKS OF THE YEAR Rogue Heroes is a ripping good read Washington Post 10 Best Books of the Year Britain's Special Air Service or SAS was the brainchild of David Stirling a young aristocrat whose aimlessness belied a remarkable strategic mind Where most of his colleagues looked at a World War II battlefield map and saw a protracted struggle Stirling saw an opportunity given a small number of elite men he could parachute behind Nazi lines and sabotage their airplanes and supplies Defying his superiors conventional wisdom Stirling assembled a revolutionary fighting force that would upend not just the balance of the war but the nature of combat itself Bringing his keen eye for detail to a riveting wartime narrative Ben Macintyre uses his unprecedented access to the SAS archives to shine a light on a legendary unit long shrouded in secrecy Rogue Warrior of the SAS Martin DILLON,1987

*SAS Heroes* Pete Scholey,2011-12-20 SAS Heroes contains former SAS member Pete Scholey's memories of 20 soldiers who were genuine heroes although many were never recognised as such during their lives or even in death It is a book of stories about soldiers who fought for their country with no desire to be famous feted or rewarded many of whom died in action A few received medals and all earned the respect and admiration of their fellow soldiers their names and faces etched into the true history of the SAS Some of the stories of Pete's heroes have never been told before and certainly none of the tales of combat and life in the regiment have been told in such a touching real and compelling manner
