## **Mercy Room:**

**The Starlet** Mary McNamara, 2010-06-08 It's a not so well respected rule in Hollywood that what happens on location stays on location. But when a hot young leading man winds up dead in his Rome hotel room his costar's life is about to go off the rails in a very public way even by celeb standards. At the tender age of twenty three Mercy Talbot has won an Oscar, battled addiction, wrecked more than her share of cars and burned down her house. Her look alike mother keeps her on a tight leash and fueled with an endless supply of OxyContin and cocaine and her producers demand a grueling schedule. By the time she stumbles across Juliette Greyson a Hollywood insider on a much needed vacation Mercy is surrounded by photographers and about to emerge drunk high and naked from a public fountain. Whisking her away to an idyllic Tuscan retreat Juliette is about to discover another rule of Hollywood wherever the starlet may go the drama will follow **How I**

**Shed My Skin** Jim Grimsley, 2015-04-14 More than sixty years ago the Supreme Court ruled in *Brown v Board of Education* that America's schools could no longer be segregated by race. Critically acclaimed novelist Jim Grimsley was eleven years old in 1966 when federally mandated integration of schools went into effect in the state and the school in his small eastern North Carolina town was first integrated. Until then blacks and whites didn't sit next to one another in a public space or eat in the same restaurants and they certainly didn't go to school together. Going to one of the private schools that almost immediately sprang up was not an option for Jim his family was too poor to pay tuition and while they shared the community's dismay over the mixing of the races they had no choice but to be on the front lines of his school's desegregation. What he did not realize until he began to meet these new students was just how deeply ingrained his own prejudices were and how those prejudices had developed in him despite the fact that prior to starting sixth grade he had actually never known any black people. Now more than forty years later Grimsley looks back at that school and those times remembering his own first real encounters with black children and their culture. The result is a narrative both true and deeply moving. Jim takes readers into those classrooms and onto the playing fields as ever so tentatively alliances were forged and friendships established. And looking back from today's perspective he examines how far we have really come **Embattled Home (Contemporary Military Suspense)**

J.M. Madden, 2014-04-26 His Marine training taught him that failure is never an option regardless of circumstances. That certainly applies to Chad's need to stop Lost and Found's deranged client from using the information he gathered to stalk and abuse his ex. Falling in love with the broken woman and her sweet daughter in the middle of rescuing them is definitely not the best timing. But it's also inevitable. In Book 3 of this heart warming military romance series Chad will discover that protecting Lora is a much easier task than proving he's the one man she can finally trust with her heart. Weeks of no incriminating evidence should have clued him in sooner about who was the real victim. Now Chad Lowell is wracked with guilt after the woman he's assigned to investigate is attacked by her abusive ex husband right under his nose. Lora and her little girl are in incredible danger and he vows to protect them at all costs whether the angry and hurt woman

wants him to or not His Marine training makes the protecting part easy but nothing he does seems to make Lora want to take a chance on him or his love Lora O Neil left a life of abuse to make a new start for herself and her daughter When her ex hires Lost and Found Investigative Service to track her down she s left reeling both physically and emotionally The private detective that had been watching her for the past couple of months did finally come to her rescue but does that mean she should now trust him to help her turn their lives around The sexy former Marine makes her body feel things she thought she d never feel for a man again but she just can t imagine what it would take for her to heal enough to ever say yes Lost and Found Series Reading Order The Embattled Road Prequel 0 5 Embattled Hearts Book 1 Embattled Minds Book 2 Embattled Home Book 3 Embattled SEAL Book 4 Embattled Ever After Book 5 Embattled Return Book 6 Connected Novellas SEAL s Lost Dream Book 2 5 Her Forever Hero Book 3 5 Unbreakable SEAL Book 3 6 Embattled Christmas Book 3 7 Loving Lilly Book 4 2 Her Secret Wish Book 4 3 SEAL s Christmas Dream Book 4 7 Mistletoe Mischief 5 1 Lost and Found Pieces 1 Book 5 2 Lost and Found Pieces 2 Connected Spinoffs The Lowells of Honeywell Texas Forget Me Not Prequel Untying His Not Book 1 Naughty by Nature Book 2 Trying the Knot Book 3 The Dogs of War Genesis Prequel Chaos Book 1 Destruction Book 2 Retribution Book 3 Catalyst Book 4     Jehovah's Wind Lewis Hinton,2023-06-28 An investigator unwillingly thrown into the search for a missing teenager must try to thwart an obsessive man from exploiting captured Nazi technology to achieve a twisted ambition     *The Delineator* R.
