Shampoo of the North Émile Boujardo, 2014-11-18 Shampoo is a carefree young polar bear who one day encounters an old and dying Inuit out on the tundra After sharing the latter s excellent provisions and remaining few hours of life Shampoo rounds off the acquaintance by feasting on his late friend s remains In retribution the Inuit s relatives demand a vendetta against the bear Thus Shampoo is driven out of his ancestral lands and embarks on a giant iceberg in a desperate attempt to gain the shores of the fabled lucky iceberg aka Australia where he plans to begin a new life as a refugee Unfortunately a small but critical error in navigation lands him on the adjacent continental landmass of B gandia aka the lucky paddock After passing the country s stringent immigration requirements Shampoo makes the acquaintance of a succession of individuals that lead him to question whether the lucky paddock is indeed deserving of its cheerful sobriquet This tale of innocence corrupted of obsession and unnatural appetites Shampoo of the North is a riveting drama exploring rage hope destiny and the deepest questions of moral truth as well as issues of vital importance to the environment This is truly a book with a message suitable for reading on the porcelain throne Please recycle

Love Bites Elena Kaufman, 2017-01-31

Love Bites is a collection of thirteen stories set in Europe and North America. They trace foreigners, drifters and eccentrics linked by their need for acknowledgment and belonging. How do these characters survive physically and psychologically on unfamiliar ground, whether as tourists or strangers in new cities or in new situations which jolt them out of the security of the familiar? Recurring themes are of isolation, loss and a desire for connection when strangers reach out to other strangers for stability. A mysterious older woman and an alienated foreigner lost on a crowded London street bond in their search for home. A single woman consults a soothsayer in London about family problems before he lures her into his own conflict. An acting student steps into a dusty music hall just when she auditions for the star maker. A former life model and her overgrown son prey on a Canadian tourist in a Parisian garden. Interconnected scenes in Montreal, Paris and Toronto are linked by bizarre accidents and those who witness them. An elementary school boy fascinated by his elderly neighbor adopts the Candyman as an absent father. A woman left by her partner in Paris wakes up with a phantom appendage and wanders Paris as a hermaphrodite. A honeymooning couple marooned on a remote Hawaiian island is forced to strip for their survival. An expat escapes into a new life in Paris until her ex-boyfriend reappears, reminding her of the impact of loss. An elderly woman suffering from dementia is nearly eaten to death by her beloved pets running rampant in her home. *Love Bites* reveals a kaleidoscope of human experience wherein the reader is enticed into tales of everyday exiles, witnesses and saviors. Despite emotional or geographical displacement, the characters in this collection all have one thing in common: their need to find home.

Les représentations de l'oral

chez Lagarce Claire Doquet, Elisabeth Richard, 2012-05-04 L'ouvrage interroge d'un point de vue strictement linguistique le texte théâtral de Jean-Luc Lagarce. Juste la fin du monde et plus précisément travers les modalités de la représentation de l'oral qu'il construit tant sur le plan nonnataif que typographique et syntaxique. Si la langue ici montrée emprunte l'oral ordinaire des formes linguistiques qui rendent saillante la discontinuité du flux de paroles spontanées dans le même temps, elle exhibe également la continuité du fil du discours qui se voit toujours relancé. *La didactique du français idiomatique* Gonzalez Rey Isabel, 2015-04-08 L'emploi naturel et spontané des expressions figurées dans le discours est la preuve indéniable sans être la seule d'une bonne maîtrise de la langue étrangère chez les apprenants. Ainsi en conviennent la plupart des didacticiens ainsi que les auteurs du Cadre européen commun de référence pour les langues qui précisent dans leurs recommandations l'importance du bon usage des expressions idiomatiques et en demandent la possession au niveau C2 le dernier stade du parcours de l'apprentissage. *Présidentes saison 1* Jean-Louis LOPEZ, 2022-12-07 a commencé par la disparition du fils de la ministre de l'Intérieur. Tout porte à penser que c'est un complot de plus destiné à jeter le discrédit sur la ministre et le président de la République. Présidente saison 1, il roule un cheveau d'intrigues de trahisons et de complots qui n'ont qu'une fin : porter une femme à la présidence de la République. On découvre l'affrontement sauvage de deux femmes : la ministre de l'Intérieur et la présidente d'un parti politique populiste. Ces deux femmes ont besoin d'hommes autour d'elles pour réaliser leur dessein, mais aussi pour assouvir les pulsions qui nourrissent leurs énergies. Il est question de complots de stratégies politiques mais aussi d'amitiés et d'amours. Une grande histoire d'amour traverse le récit. On croise des hommes politiques, des hauts fonctionnaires, des policiers, des gilets jaunes, des djihadistes, des Russes et un Ukrainien. Le roman se déroule dans le style d'une série où le lecteur est emporté malgré lui dans la succession des événements et des passions.

A Deep Blue Farewell Sharon Duncan, 2002. Scotia MacKinnon's new client doesn't believe his sister's death was a freak accident. But with no body and no clues, authorities decide Tina Breckinridge, a sailing instructor, must have drowned. Scotia senses foul play, but she and her assistant, Zelda, follow dead ends. They are ready to give up, but little do they know their problems have only just begun.
