Shannon, 1992 This book is written with a remarkable combination of clarity and assurance This book will be recognized as an authoritative if not definitive study of Merton's life and work Tom Merton Joan C. McDonald, 2006 This is the first biography to present along with a comprehensive publishing history a detailed picture with photographs and other previously unpublished illustrations of events significant to him **BOOK JACKET Follow the Ecstasy** John Howard Griffin, 2010-10-01 In 1969 one year after Thomas Merton's tragic and suspicious death John Howard Griffin was invited to write a biography of America's most famous monk a monk who strangely had become a best selling theologian The result was *Follow the Ecstasy* *The Hermitage Years of Thomas Merton* 1983 Both Merton and Griffin were converts to Catholicism and they had become fast friends during Griffin's occasional retreats to the Trappist Abbey of Gethsemani where Merton was cloistered As Robert Bonazzi writes in his Foreword With natural humility and intense spirituality they taught each other by example and silence Merton and Griffin were both photographers as well as writers Griffin wrote about Merton's painting and photography in *A Hidden Wholeness The Visual World of Thomas Merton* 1970 They also shared a fascination with the French theologian Jacques Maritain as well as French modernists Pierre Reverdy George Braque and Albert Camus Griffin fell ill before he could finish his biography of Merton and the mantle of official biographer passed to Michael Mott author of *The Seven Mountains of Thomas Merton* an essential compendium of the monk's life Yet *Follow the Ecstasy* gets closer to the man a portrait made by one who shared not only personal histories and interests with Merton but an intuitive perspective of solitude Living with Wisdom James H. *Thomas Merton* Cornelia Sussman,Irving Sussman,1976-01-01 A biography of the Trappist monk and Zen mystic who

gained fame as a writer social critic and radical peace activist      **Turning Toward the World** Thomas Merton, 2009-10-13

Inexorably life moves on towards crisis and mystery Everyone must struggle to adjust himself to this to face the situation for now is the judgment of the world In a way each one judges himself merely by what he does Does not say Yet let us not completely dismiss words They do have meaning They are related to action They spring from action and they prepare for it they clarify it they direct it Thomas Merton August 16 1961 The fourth volume of Thomas Merton's complete journals one of his final literary legacies springs from three hundred handwritten pages that capture in candid lively deeply revealing passages the growing unrest of the 1960s which Merton witnessed within himself as plainly as in the changing culture around him In these decisive years 1960 1963 Merton now in his late forties and frequently working in a new hermitage at the Abbey of Gethsemani finds himself struggling between his longing for a private spiritual life and the irresistible pull of social concerns Precisely when he longs for more solitude and convinces himself he could not cut back on his writing Merton begins asking complex questions about the contemporary culture the world with its funny pants of which I do not know the name its sandals and sunglasses war and the churches role in society Thus despite his resistance he is drawn into the world where his celebrity and growing concerns for social issues fuel his writings on civil rights nonviolence and pacifism and lead him into conflict with those who urge him to leave the moral issues to bishops and theologians This pivotal volume in the Merton journals reveals a man at the height of a brilliant writing career marking the fourteenth anniversary of his priesthood but yearning still for the key to true happiness and grace Here in his most private diaries Merton is as intellectually curious critical and insightful as in his best known public writings while he documents his movement from the cloister toward the world from Novice Master to hermit from ironic critic to joyous witness to the mystery of God's plan      *Thomas Merton* William H. Shannon, Christine M. Bochen, 2009 Thomas Merton 1915 1968 is widely regarded as one of the most influential spiritual writers This collection offers a portrait of the monk mystic and prophet who helped to shape American Catholic thought fusing spirituality and social justice and pursuing unity beyond difference      Thomas Merton William Henry Shannon, 2005 He was something of a legendary figure among the old boys of his generation and he was clearly something of a rebel That description of Thomas Merton by his English headmaster influenced this captivating introductory look at the monk writer and his works Merton scholar William H Shannon presents Merton's life story to suggest that this mid twentieth century writer can speak meaningfully to women and men now several years into a new century to develop some of the themes that make their way through his writings and to suggest a possible order for reading his books as one enters into the huge library of Mertoniana      *Run to the Mountain* Thomas Merton, 1996-08-30 When Thomas Merton died accidentally in Bangkok in 1968 the beloved Trappist monk's will specified that his personal diaries not be published for 25 years presumably because they contained his uncensored thoughts and feelings Now a quarter of a century has passed since Merton's death and the journals are the last major piece of writing to appear by the 20th century's most important spiritual

writer The first of seven volumes *Run to the Mountain* offers an intimate glimpse at the inner life of a young pre monastic Merton Here readers will witness the insatiably curious graduate student in New York s Greenwich Village give way to the tentative spiritual seeker and brilliant writer Merton playfully lists everything from his favorite lines of poetry and songs to the things he most loves and hates Thomas Merton was an inveterate diarist his journals offer a complete and candid look at the rich transformations of his adult life As Brother Patrick Hart general editor of the series notes Perhaps his best writing can be found in the journals where he was expressing what was deepest in his heart with no thought of censorship With their publication we will have as complete a picture of Thomas Merton as we can hope to have
