Message Of Isaiah:

The Message of Isaiah Barry G. Webb,2023-11-07 In this BST volume Barry Webb showcases the outstanding brilliance of style poetic power and foretaste of the gospel that the book of Isaiah offers With accessible insight he shows how the threads of the Old Testament come together in Isaiah training our ears and hearts to resonate with its great biblical theological themes

Message of Isaiah 1–27 Then and Now Bohdan Hroboň,2021 The purpose of the book is threefold First it summarizes the results of scholar discussion on the first 27 chapters of the book of Isaiah in a way that understandable to a non professional general reader It attempts to capture the main message of each unit of this text in a nutshell while preserving the complexity of the text and integrity of modern scholarship The second goal is to draw parallels between Isaiah 1–27 and the societies and issues of post communist countries so the original message and lessons can be relearned and applied to them Third the brevity and the actualization are to stimulate the interest of the reader in a more in depth study of this very influential part of the Scripture

The Message of Isaiah 40-55 John Goldingay,2005-12-27 The Message of Isaiah 40–55 traces the argument of Isaiah 40–55 to show how the chapters bring a message of encouragement and challenge about God's intention to restore the Judean community some of whose members are in exile in Babylon others living in the city of Jerusalem that has lain devastated since it fell to the Babylonians in 587 The chapters hold before this community's eyes a vision of the nature of its God as the powerful creator and the loving restorer In the course of following the argument the reader becomes aware that the chapters have to deal with their audience's mysterious resistance to their message It cannot give God the kind of response the message needs and deserves nor can it fulfil the role as God's servant that is designed for it God nevertheless remains committed to it The prophet eventually becomes aware of a distinctive personal calling to embody that response until the people are ready to do so It is the prophet's willingness to do this notwithstanding the suffering it brings that embodies the kind of ministry that needs to be exercised to them so that they may be brought back to God and find a restoration of spirit as well as a physical restoration

Elizabeth Achtemeier,1982 *The Literary Message of Isaiah* Avraham Gileadi,1994 In this groundbreaking literary analysis of Isaiah Avraham Gileadi leads the layman and scholar to discover Isaiah's apocalyptic message and messianic theology The ancient writings of Isaiah now appear through Gileadi's illuminating work to bridge the gap between the Old and New Testaments with an ennobling view of the Messiah acceptable to both Jew and Gentile Employing sophisticated literary structures Isaiah draws on events out of Israel's past to communicate the future and answers pressing political and religious questions of our day by giving us a preview of what will transpire in the last days of the history of humanity The Literary Message of Isaiah will revolutionize your understanding of Hebrew prophecy and profoundly enrich your love for the Bible
