Messiah Texts:

The Messiah Texts Raphael Patai, 1988-12-01 Patai investigates the false messiahs who have appeared throughout Jewish history the modern Messiah influenced movements such as reform Judaism and Zionism and the numerous reasons put forth by the various branches of Judaism as to why the Messiah has not yet appeared **Jesus and YHWH-Texts in the Synoptic Gospels** Scott Brazil, 2024-02-21 Scott Brazil examines the frequent practice of applying Old Testament YHWH texts to Jesus in the Synoptic Gospels He argues that this YHWH text phenomenon evidences a high Christology in the primitive church that traces back to Jesus himself He thus finds in this Synoptic practice a stinging contradiction against the modern critical theory that a high Christology took many decades to develop in the early church and exists only in John among the canonical Gospels Brazil surveys the Synoptic Gospels in canonical order exegesis dozens of passages in which OT texts originally referring to YHWH are either clearly or most probably applied to Jesus He observes the frequency diversity and ubiquity of the practice as well as its wide range of OT source material and its parallel to the NT practice of applying OT messianic texts to Jesus And from the data he offers several ramifications including the early deliberate employment of YHWH texts to Jesus the likelihood that Jesus is the source of the practice the high Christology of the Synoptics and the redemptive historical metanarrative that Jesus is the divine interpreter and central figure of the Jewish Scriptures Ultimately Brazil argues that understanding the prolific application of OT YHWH texts to Jesus in the Synoptic Gospels cannot be neglected without truncating genuine NT Christology *The Messiah* Douglas Connelly, 2014-01-28 The entire text of Handel's Messiah is drawn from Scripture and many of the Old Testament passages that shaped Israel's hope for their Redeemer are included in that text This eight session LifeGuide Bible Study leads you through Scripture passages used in Handel's work that highlight who Jesus is and what he came to do *Reading the Gospel of John's Christology as Jewish Messianism* Benjamin Reynolds, Gabriele Boccaccini, 2018-07-17 The essays in Reading the Gospel of John's Christology as Jewish Messianism Royal Prophetic and Divine Messiahs seek to interpret John's Jesus as part of Second Temple Jewish messianic expectations The Fourth Gospel is rarely considered part of the world of early Judaism While many have noted John's Jewishness most have not understood John's Messiah as a Jewish messiah The Johannine Jesus who descends from heaven is declared the Word made flesh and claims oneness with the Father is no less Jewish than other messiahs depicted in early Judaism John's Jesus is at home on the spectrum of early Judaism's royal prophetic and divine messiahs *Israel's Scriptures in Early Christian Writings* Matthias Henze, David Lincicum, 2023-07-20 How did New Testament authors use Israel's Scriptures Use misuse appropriation citation allusion inspiration how do we characterize the manifold images paraphrases and quotations of the Jewish Scriptures that pervade the New Testament Over the past few decades scholars have tackled the question with a variety of methodologies New Testament authors were part of a broader landscape of Jewish readers interpreting Scripture Recent studies have sought to understand the various compositional

techniques of the early Christians who composed the New Testament in this context and on the authors own terms In this landmark collection of essays Matthias Henze and David Lincicum marshal an international group of renowned scholars to analyze the New Testament text by text aiming to better understand what roles Israel s Scriptures play therein In addition to explicating each book the essayists also cut across texts to chart the most important central concepts such as the messiah covenants and the end times Carefully constructed reception history of both testaments rounds out the volume

The Grammar of Messianism Matthew V. Novenson, 2017-04-03 Messianism is one of the great themes in intellectual history But because it has done so much important ideological work for the people who have written about it the historical roots of the discourse have been obscured from view What did it mean to talk about messiahs in the ancient world before the idea of messianism became a philosophical juggernaut dictating the terms for all subsequent discussion of the topic In this book Matthew V Novenson offers a revisionist account of messianism in antiquity He shows that for the ancient Jews and Christians who used the term a messiah was not an article of faith but a manner of speaking It was a scriptural figure of speech one among numerous others useful for thinking about kinds of political order present or future real or ideal monarchic or theocratic dynastic or charismatic and other variations besides The early Christians famously seized upon the title messiah in Greek Christ for their founding hero and molded the sense of the term in certain ways but Novenson shows this is just what all ancient messiah texts do each in its own way If we hope to understand the ancient texts about messiahs from Deutero Isaiah to the Parables of Enoch from the Qumran Community Rule to the Gospel of John from the Pseudo Clementines to Sefer Zerubbabel we must learn to think not in terms of a world historical idea but of a language game of so many creative reuses of an archaic Israelite idiom In *The Grammar of Messianism* Novenson demonstrates the possibility and the benefit of thinking of messianism in this way

Sources and Interpretations Lawrence H. Schiffman, 2025-06-16 This volume brings together over forty of Schiffman s *Studies on Ancient Judaism* that have helped to shape this emerging field Throughout these studies display a wide ranging perspective bringing together all kinds of sources written or archaeological to illuminate ancient Judaism and its complex history Topics explored include the history of the Jews and Judaism in Late Antiquity the Bible in Jewish tradition ancient Jewish thought law and liturgy magic and mysticism relation of the Dead Sea

Scrolls to Rabbinic Literature Judean Desert texts and Judaism and Christianity The volume concludes with studies of the work of several modern rabbis and academic scholars Jesus Christ as the Son of David in the Gospel of Mark Max Botner, 2019-05-30 Addresses the issue of the precarious nature of Davidic sonship in the Gospel of Mark **Son of God** Garrick V. Allen, Kai Akagi, Paul Sloan, Madhavi Nevader, 2019-03-04 In antiquity son of god meaning a ruler designated by the gods to carry out their will was a title used by the Roman emperor Augustus and his successors as a way to reinforce their divinely appointed status But this title was also used by early Christians to speak about Jesus borrowing the idiom from Israelite and early Jewish discourses on monarchy This interdisciplinary volume explores what it means to be God's son's in ancient Jewish and early Christian literature Through close readings of relevant texts from multiple ancient corpora including the Hebrew Bible the New Testament the Dead Sea Scrolls Greco Roman texts and inscriptions early Christian and Islamic texts and apocalyptic literature the chapters in this volume engage a range of issues including messianism deification eschatological figures Jesus interreligious polemics and the Roman and Jewish backgrounds of early Christianity and the authors of the Dead Sea Scrolls The essays in this collection demonstrate that divine sonship is an ideal prism through which to better understand the deep interrelationship of ancient religions and their politics of kingship and divinity In addition to the editors the contributors to this volume include Richard Bauckham Max Botner George J Brooke Jan Joosten Menahem Kister Reinhard Kratz Mateusz Kusio Michael A Lyons Matthew V Novenson Michael Peppard Sarah Whittle and N T Wright

Messiah and Scripture J. Thomas Hewitt, 2020-07-27 J Thomas Hewitt demonstrates how Paul's development and uses of the expression in Christ arise from his messianic interpretation of scriptures concerning Abraham's seed and Daniel's son of man This type of creative scriptural interpretation is a common trait of ancient Jewish messiah texts *Christ Among the Messiahs* Matthew V. Novenson, 2012-04-17 Recent scholarship on ancient Judaism finding only scattered references to messiahs in Hellenistic and Roman period texts has generally concluded that the word messiah did not mean anything determinate in antiquity Meanwhile interpreters of Paul faced with his several hundred uses of the Greek word for messiah have concluded that christos in Paul does not bear its conventional sense Against this curious consensus Matthew V Novenson argues in *Christ among the Messiahs* that all contemporary uses of such language Paul's included must be taken as evidence for its range of meaning In other words early Jewish messiah language is the kind of thing of which Paul's Christ language is an example Looking at the modern problem of Christ and Paul Novenson shows how the scholarly discussion of christos in Paul has often been a cipher for other more urgent interpretive disputes He then traces the rise and fall of the messianic idea in Jewish studies and gives an alternative account of early Jewish messiah language the convention worked because there existed both an accessible pool of linguistic resources and a community of competent language users Whereas it is commonly objected that the normal rules for understanding christos do not apply in the case of Paul since he uses the word as a name rather than a title Novenson shows that christos in Paul is neither a name nor a title but rather a Greek

honorific like Epiphanes or Augustus Focusing on several set phrases that have been taken as evidence that Paul either did or did not use christos in its conventional sense Novenson concludes that the question cannot be settled at the level of formal grammar Examining nine passages in which Paul comments on how he means the word christos Novenson shows that they do all that we normally expect any text to do to count as a messiah text Contrary to much recent research he argues that Christ language in Paul is itself primary evidence for messiah language in ancient Judaism **Text** Francis Crawford Burkitt,1904
