## **Messy Spirituality:**

**Messy Spirituality** Mike Yaconelli, Michael Yaconelli, 2007 A guide for those worried about not being good enough Christians suggests that imperfection infiniteness and messiness are in fact the earmarks of true Christianity and lead to liberation    **Messy Spirituality** Mike Yaconelli, 2001 Spirituality may be possible for a single old financially stable contemplative who has nothing to do but pray says Mike Yaconelli But for people like you and me with kids and mortgages and jobs and car payments probably not There are many obstacles to the kind of spirituality we feel we ought to have not enough time feelings of inadequacy lethargy over expectation fear But we will be surprised to discover that true Godly spirituality is not quite as inaccessible as we once thought Mike Yaconelli writes from the heart with humour and humanity and bears favourable comparison with Philip Yancey and Richard Foster Messy Spirituality is his first major book to be actively marketed in the UK    **Messy Spirituality** Mike Yaconelli, 2013    *Evangelicalism and the Emerging Church* Cory E. Labanow, 2016-04-22 With the Christian church in the west in decline some churches are undergoing difficult transitions as they seek to become relevant to both themselves and their surrounding cultures Evangelicalism and the Emerging Church details an ethnographic study of a Vineyard congregation making sense of their Vineyard roots and their growing relationship with the self proclaimed emerging church network Through a rich account of congregational life and tensions universal issues are raised such as relating to religious parentage creating safe places for spirituality Christian growth and maturity communication with contemporary culture and the challenges of identity reconstruction This book is the first to conduct an academic study of a Vineyard congregation in the United Kingdom    **Thank God I'm Not A Pharisee...Or Am I?** John Elzinga, 2005-12 Designed to uproot Pharisaicalism from the evangelical church this text is a guide for transforming it into a community of forgiveness exemplifying Grace full living Christian    **Getting Fired for the Glory of God** Mike Yaconelli, 2008 Years after his death Christians across the world turn to the words of Yaconelli to uncover the divine mischief the shameless truth telling the love of kids and the passion for Jesus that make youth ministry an irresistible calling    **Finding Stability in Uncertain Times** Ron Higdon, 2020-04-27 What should you do when everything seems to be shifting and you can't find solid ground Some try to pretend the shifting things are truly solid Some cling to things that cannot provide security In this practical book author and pastor Ronald Higdon suggests we find the really stable things and learn to handle and grow from the things that must change He brings to this process a lifetime of experience and deep theological reflection The result is a practical survival guide to living a faithful life in a changing world Some of the topics he addresses include continuing to learn throughout our lives relationships the manipulation of our lives by anger and fear the reality of evil and yes the fact that change is inevitable no matter how hard we fight it Each chapter includes questions for further study and thought making the book suitable for use in group study as well as for individual reading Finding Stability in Uncertain Times will be useful to all those who are struggling in their Christian walk Who can say that they are living without any struggle

**Paying Attention** Rollie Johnson,2017-01-10 Most of us race through our days at a hectic and frantic pace oblivious to the Godly and divine in our midst We are tuned in to the latest electronic gizmos and out of tune with the holy and sacred that moves in and around us throughout our days Journey with Author Rollie Johnson who has a most unique gift for observing and sensing and recognizing Godly movements and spiritual truths in our ordinary day to day lives His observations and unique insights from the natural world of creation and ordinary encounters will inspire you to new depths of trust and intimacy in your walk with God **Charisma and Christian Life** ,2002 **Mothers of the Bible** Dena Dyer,2009 If it's true that people learn best by example here are 24 examples of mothers who changed the world whether for good or ill Readers will find scripture and brief biographies of the most important mothers in the Bible like Mary Hannah Sarah and Eve along with thought provoking application questions and inspirational takeaways Concise entries are easily read by busy moms and provide biblical encouragement to pursue God in every aspect of life Ideal for mothers of all ages Mothers of the Bible makes an excellent gift for Mother's Day or other special occasions **Becoming New Testament** ,2004 The entire New Testament in magazine format plus features to show women that the Bible is easy to understand engaging and applicable to life **Covenant Companion** ,2004 **A Joy That Is Real** Daniel Owens,2006-09 As you study the book of Philippians it's really about nothing and everything at the same time You will discover many new truths that will help you to grow in joy through our Lord The Apostle Paul tends to intimidate even the most mature believers yet Paul chose to live his life joyfully Despite his troubles and Paul certainly had plenty of them he was able to say My joy knows no bounds It is important to remember that Paul wrote this short epistle while in prison He had been illegally arrested beaten and put in chains It's hard to tell by his attitude though While he could easily have thought life isn't fair he chose to have joy We all have times when life doesn't seem fair or seems especially cruel How do you respond in those times Learn how to respond with A Joy that is Real Features and Benefits A relevant straightforward study of the book of Philippians as it applies to life today Helps the reader gain motivation and strength to truly make positive life changes Helps the reader enter a more joyful relationship with the Lord realizing the liberty and power that comes through resting in the Lord **The Publishers Weekly** ,2005 **The Unauthorized Guide to Choosing a Church** Carmen Renee Berry,2003 Wise and humorous This guide introduces readers to the beliefs and worship practices of major Christian denominations **The Experience of Becoming the Mother of a Son with Heart Disease** Mary Schulze Michener,2002 **The Door Magazine** ,2004 **You Don't Have to Be Perfect to Follow Jesus** Mike Yaconelli,2014-01-28 When you hear the word disciple you may envision people who spend all day praying and converting the masses Or individuals who have a natural holiness deep inside The truth is being a follower of Jesus isn't a job for the perfect or the Christian elite it's something anyone can and should be And even the original twelve disciples were far from perfect This thirty day devotional looks at the traits real very human disciples have using Scripture first person comments from teens and questions that help you think about your own disciple experiences

When you think of Peter John Matthew and even Paul they seem to be heroes for Jesus the ones we're supposed to emulate and be more like After all Jesus handpicked them to be his followers and ambassadors on earth and trusted them with everything when he left so they must have been really holy men right But if you read the Gospels and Acts closely you'll notice the men Jesus called into his ministry were often clueless selfish afraid and brash and made a lot of mistakes during their time as disciples In other words they were very human Just like you This 30 day devotional peels back the holy veneer and explores the character traits that mark all disciples things like fear boldness doubt laziness weakness sensitivity brokenness alienation hunger immaturity strength and preparedness and uses Scripture real world examples and questions with space to journal to help you see these negative qualities actually qualify you to follow Jesus Because discipleship isn't something from the first century and Jesus is calling you to follow him today You Don't Have to Be Perfect to Follow Jesus can be used for personal study or in a group setting is ideal for teens and young adults contains short readings with full Scripture passages included that you can take with you anywhere breaks down the real truth behind Scripture to show how it applies to your life today *Dark Horse* John Fischer, 2003 In Fischer's multilayered story white horses are pampered celebrated and trained to pose in ways that hide any of their darker markings Back in print by popular demand Fischer's first ever book is now available in this gift edition for a new generation of readers Users' Guide, 2005
