## Mere Reflection

**Southern Educational Association**

## Mere Reflection:

**The Idea of Form** Rodolphe Gasché,2003 Against the assumption that aesthetic form relates to a harmonious arrangement of parts into a beautiful whole this book argues that reason is the real theme of the Critique of Judgment as of the two earlier Critiques Since aesthetic judgment of the beautiful becomes possible only when the mind is confronted with things of nature for which no determined concepts of understanding are available aesthetic judgment is involved in an epistemological or rather para epistemological task The predicate beautiful indicates that something has minimal form and is cognizable This book explores this concept of form in particular the role of presentation Darstellung in what Kant refers to as mere form which involves not only the understanding but also reason as the faculty of ideas Such a notion of form reveals why the beautiful can be related to the morally good On the basis of this reinterpreted concept of form most major concepts and themes of the Critique of Judgment such as disinterestedness free play the sublime genius and beautiful arts are examined by the author and shown in a new light

*Kant on Emotions* Mariannina Failla,Nuria Sánchez Madrid,2021-10-25

Kant s account of emotions has only recently begun to receive the attention that this topic deserves as it casts new light over the manifold features of transcendental philosophy The authors expand the contemporary overview of the Kantian treatment from both a neuroscientific and a continental philosophical perspective The volume opens paths to reevaluate neglected aspects of the Kantian model of human rationality
