The Dead Sea Scroll's Messiah Code** Chris Albert Wells,2012-03-05 Intrigue Politics Lies Power struggle Sound like a thriller It s the Bible In Jesus God Man or Party Label Chris Albert Wells argues that the interpretation of the Gospels we have been taught as Truth ignores a bitter battle of intra community conflicts and strategies To discover the nature of the initial split Wells encourages us to give a new look at the Essene Dead Sea Scroll Messiahs and then to Northern Syria where the first Gospels were written in a community called Essene before being called Christian The reader will discover here the background that ultimately produced the Gospels and what they really meant to those who wrote them Within this community context Jesus will be just as alien to established Church traditions as to modern historical portrayals or mythical castings forwarded by scholarly textual criticism Wells challenges us to question everything we have been told and to understand the story of Jesus in an entirely new light **HaShem... The Name** George L. Gonzalez,2021-03-11 Welcome to HaShem The Name a book of ancient discovery Have you ever wondered why God is referred to as God or Lord Or wondered if God has a name a personal name How did our savior Messiah come to have the name known worldwide in assemblies today As children we accept the traditions of our parents and even pass them down to our own children but what is the truth of our savior s name As adults we need to investigate with a fervent heart if we truly want to please our creator In this book the investigation has been completed for you HaShem The Name outlines the model of Moshe Moses who received the first revelation of the name of the Hebrew God He then revealed it to the Israelites who were in bondage in Egypt as well as Pharaoh their captor This name is not to be forgotten but remembered spoken prayed to and worshiped Moshe brought the Israelites to Mount Sinai where our Creator further revealed himself and his instructions written by his own finger on tablets

of stone today known as the Ten Commandments Our Creator is holy and looks for holy people to follow his direction Within this book our Savior is introduced who echoes the same path and further clarifies our Creator s instructions with better promises and also happens to be the Jewish Redeemer Today society has wandered and strayed from the Creator This book will bring emphasis concerning the basic tenets of the biblical faith of our forefathers Enemies of the faith tear down these laws from buildings Our Creator s master plan is to place his laws upon our hearts written in like manner by the Spirit of the Most High never to be erased by man Messiah -CODE EDGE- 2 Madoka Takadono,2023-07-18 Though these young men arrived at the Church broken ruined by their tragic pasts the bonds they ve built with their partner their Messiah will never be shattered From children at an orphanage to spies for a secret agency Mamoru and Kaito had always been together until an incident caused Kaito to lose his physical form Their fellow Sakura agents Ryo and Itsuki survived grueling circumstances that would ve overwhelmed most people And Kotaro forsaken by society for a murder he didn t commit ended up in a reclusive religious sect whose deity changed his life and continues to do years later as his Messiah though he doesn t know it yet **The Digital Disciple A Novel of Faith in the Age of Machines** DR. PAUL CRAWFORD,2025-08-01 The Digital Disciple A Novel of Faith in the Age of Machines In the not so distant future the world has been reborn not by war or famine but by the cold perfection of progress Artificial intelligence governs daily life with an unblinking eye Algorithms determine truth Emotions are measured behavior is monitored and history has been rewritten in favor of the collective There is no need for prayer the authorities say because the System provides There is no room for faith because the future has no place for the past In this sleek sanitized society religion is classified as legacy code dangerous divisive obsolete The Bible is banned Churches have been converted into data hubs Worship is punishable by law and believers are branded as threats to unity Humanity once made in God s image is now being remade in the image of machines But not all have bowed to the silicon idol A scattered remnant lives in the shadows guided by truth they refuse to surrender Among them is a former tech engineer turned covert disciple With neural implants drones and surveillance closing in he risks everything to spread the message of Jesus Christ through encrypted networks and hidden sanctuaries Each step he takes is a step deeper into danger and deeper into the mystery of what it truly means to be human The Digital Disciple is a speculative dystopian novel that explores the battle between spiritual truth and technological control It s a story of courage in the face of conformity light shining in manufactured darkness and the undying hope that God s voice can still be heard even through the noise of machines As the world chooses between convenience and conviction comfort and the cross the question remains Will faith survive the future

**Heaven on Earth** Francis J. Connelly,2011-10-10 With the coming of Jesus the Christ the covenant of the New Testament is created Therein can be found new spiritual guidelines that those who love God will gravitate to as a consequence of being saved In the Sermon on the Mount Jesus specifically identifies eight states of blessedness that are pleasing to God In other verses of Scripture contained in the New Testament additional spiritual attitudes and responses are

described that help believers to live in accordance with the will of God The degree to which we live in accordance with Gods will presented herein as codes is the degree to which we attain heaven on earth leading to perfect happiness with Jesus in the world to come The codes consist of commandments and other rules of behavior kernels of wisdom and truths revealed by Jesus and spiritual guidelines intended to assist us on the road to salvation They will be numbered and discussed as encountered sequentially in the New Testament starting with the gospel according to Matthew and ending with the book of Revelation The appropriate verses of Scripture from which each code is derived will accompany them and be highlighted Explanatory remarks are included whenever greater clarity or additional emphasis is needed All codes and commentary are derived from the words of Jesus as recorded in the New Testament of the Holy Bible     **The Biblical World** William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1899 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352     **The Routledge Handbook of Material Religion** Pooyan Tamimi Arab, Jennifer Scheper Hughes, S.
