## **Neutrality Changing Concepts And Practices:**

**Neutrality** Alan T. Leonhard, Nicholas Mercurio, 1988-09-29 In a tension filled world characterized by opposing blocs of nations the pursuit of the policy of neutrality by a few states such as Switzerland Sweden Finland and Austria may conjure up the vista of a peaceful oasis But what is the actual meaning of neutrality at present and what are the rights and obligations of governments that claim to be neutral Are there differences in the concepts of neutrality as embraced by individual states Have the legal concepts of neutrality been changing over time and especially during the last few decades And can and do states adopt neutral stances on selected international issues while remaining partisan on others and what consequences flow from such foreign policy behavior These and other questions regarding neutrality are examined and discussed in this volume co published with the Institute for Comparative Study of Public Policy at the University of New Orleans

**Neutrality** Alan T. Leonhard, Nicholas Mercurio, 1988-09-19 In a tension filled world characterized by opposing blocs of nations the pursuit of the policy of neutrality by a few states such as Switzerland Sweden Finland and Austria may conjure up the vista of a peaceful oasis But what is the actual meaning of neutrality at present and what are the rights and obligations of governments that claim to be neutral Are there differences in the concepts of neutrality as embraced by individual states Have the legal concepts of neutrality been changing over time and especially during the last few decades And can and do states adopt neutral stances on selected international issues while remaining partisan on others and what consequences flow from such foreign policy behavior These and other questions regarding neutrality are examined and discussed in this volume co published with the Institute for Comparative Study of Public Policy at the University of New Orleans

Neutrality and Vulnerable States Nasir Andisha, 2020-10-08 This book offers a timely and concise academic and historical background to the concept and practice of neutrality a relatively new phenomenon in foreign and security policy It approaches two key questions under what circumstances can permanent neutrality be applied and what are the main ingredients of success and the causes of failure in applying permanent neutrality By evaluating comparing and contrasting the two successful European case studies of Austria and Switzerland and the two challenging Asian case studies of Afghanistan and Laos the author creates a new framework of analysis to explore the feasibility of reframing adopting and applying a policy of neutrality and jump start debates on the feasibility of the idea of new neutrality He opens the debate by asking whether as neutrality successfully functioned as a conflict resolution tool during the Cold War a reframed and adopted version of neutrality could also serve the needs of the twenty first century world order This is an insightful book for all scholars students and policymakers working in international relations security studies the history of neutrality and Afghanistan studies

**Between Neutrality and Solidarity: Swiss Good Offices in Afghanistan from 1979 to 1992** Liliane Stadler, 2024-02-12 After 1979 Switzerland became increasingly involved in Soviet occupied Afghanistan as a provider of humanitarian aid and good offices It delivered aid to the region hosted Soviet prisoners of war and eventually mediated

between the Afghan regime and the mujahideen. What is puzzling about this development is that initially following the Soviet invasion both government and parliament refused to become diplomatically involved in Afghanistan on account of Swiss neutrality. The present study investigates how and why this changed between 1979 and 1992. While the practical impact of Switzerland's good offices was modest, the crisis revealed that Switzerland continued to struggle to balance the competing imperatives of permanent neutrality and international solidarity in an increasingly multilateral world. **The Changing**

**Concept of Neutrality** Nils Ørvik, 1950 **International Law And Armed Conflict, Exploring the Faultlines** Michael N. Schmitt, Jelena Pejic, 2007 International law and armed conflict exist in a symbiotic relationship. In some cases law shapes conflict proactively by imposing normative limits in advance of the appearance of proscribed conduct. Much more commonly armed conflict either reveals lacunae in the law or demonstrates how law designed for yesterday's wars falls short when applied to contemporary conflict. When that happens international law reacts by allowing provisions to fall into desuetude embracing new interpretations of existing prescriptions or generating new norms through practice or codification. In the 21st Century both international security and armed conflict are the subject of arguably unprecedented sea changes. As a result claims that both the *jus ad bellum* and *jus in bello* are unwieldy and ill fitting in the context of modern hostilities have surfaced prominently. Whether one agrees with such dire assessments what has become clear is that armed conflict is increasingly exposing faultlines in the law governing the resort to force. The intent of this collection of essays in honour of Professor Yoram Dinstein on the occasion of his 70th birthday is to explore such faultlines first by identifying them and then by assessing their consequences. In a sense then the essays contributed by the top minds in the field will serve to assist academics and practitioners to anticipate pressure on the law governing armed conflict and to the extent possible react accordingly. Paralleling Professor Dinstein's classic works *War Aggression and Self Defence* and *The Conduct of Hostilities Under the Law of International Armed Conflict* the book addresses both *ius ad bellum* and *ius in bello* topics.

**International Economic Law and Armed Conflict** H. H. G. Post, 1994-10-27 Comments by Ove Bring **Israel Yearbook on Human Rights, Volume 36 (2006)** Yoram Dinstein, Fania Domb, 2006-11-01 The Israel Yearbook on Human Rights, an annual published under the auspices of the Faculty of Law of Tel Aviv University since 1971, is devoted to publishing studies by distinguished scholars in Israel and other countries on human rights in peace and war with particular emphasis on problems relevant to the State of Israel and the Jewish people. The Yearbook also incorporates documentary materials relating to Israel and the Administered Areas which are not otherwise available in English including summaries of judicial decisions, compilations of legislative enactments and military proclamations. The highlight of Volume 36 of the Israel Yearbook on Human Rights is a reproduction of the full text and commentary of a new Manual relating to Non International Armed Conflicts prepared by a Drafting Committee under the aegis of the San Remo International Institute of Humanitarian Law. This is a sequel to the well known San Remo Manual on International Law Applicable to Armed Conflicts at Sea.

published in 1995 The new Manual reflects the results of a larger Project launched by the Institute the background papers of which were printed in full in volume 30 2000 of the Yearbook The sphere of non international armed conflicts is gaining increasing importance and attention due to the growing frequency and menace of internal wars The imperative need to come up with an authoritative restatement of the law governing these conflicts has become obvious This is a first attempt of its kind and it is bound to arouse interest and debate Swiss Neutrality 1945-1990 Jürg Martin Gabriel,1992 *Neutrality and Non-alignment in the 1990s* Poomagame Anantharamaiah Narasimha Murthy,B. K. Shrivastava,1991 □□□□□□,2005

**Denver Journal of International Law and Policy** ,1987 **On the Road to Brussels** Paul Luif,1995 FROST copy 1 from the John Holmes Library collection German Yearbook of International Law ,1990 *Changing Concepts in Psychoanalysis* Sheila Klebanow,1981 *Welfare States in Trouble* Sune Åkerman,J. L. Granatstein,1995 **The United States and Neutral Reunited Korea** In Kwan Hwang,1990-09-28 There is no more compelling subject to the Korean community and those who study it than the potentially treasonous issue of reunification This text concentrates on the United States role suggesting that a withdrawal of U S troops be used as vehicle for the neutralization and reunification of Korea Chapter I points out the U S considerations to neutralize the Philippines Chapter II gives a critical review on many missed opportunities for a neutralized Korea from the time of its opening to the time of its division after WWII Chapter III examines some of the difficulties and complicated issues that arise in the attempt to unify and endeavors to point out a common denominator approach in possible neutralization Chapter IV suggests that Washington now should reconsider the neutralization plan in exchange for its troop withdrawal Co published with the Research Committee on Korean Reunification at the Institute of International Studies Bradley University Index of Conference Proceedings British Library. Document Supply Centre,1989 *International Journal* ,1990 *Bulletin of the Public Affairs Information Service* Public Affairs Information Service,1989
