Never Surrender:

African American Theological Ethics Peter J. Paris, Julius Crump, 2015-12-18 This volume in the Library of Theological Ethics series draws on writings from the early nineteenth through the late twentieth centuries to explore the intersection of black experience and Christian faith throughout the history of the United States. The first sections follow the many dimensions of the African American struggle with racism in this country: struggles against theories of white supremacy, against chattel slavery and against racial segregation and discrimination. The latter sections turn to the black Christian vision of human flourishing, drawing on perspectives from the arts, religion, philosophy, ethics and theology. It introduces students to major voices from African American Christianity, including Frederick Douglass, Richard Allen, W. E. B. DuBois, Marcus Garvey, Martin Luther King Jr, Bayard Rustin, Barbara Jordan, James H. Cone and Jacqueline Grant. This is the essential resource for anyone who wishes to understand the role that Christian faith has played in the African American struggle for a more just society.

Speeches that Change the World Alan J. Whiticker, 2023-05-20 Includes Speeches by Mahatma Gandhi, Indira Gandhi, Adolf Hitler, Martin Luther King, Arundhati Roy and many more. A COLLECTION OF GREAT AND POWERFUL SPEECHES THAT AFFECTED THE WORLD AS WE KNOW IT. SPEECHES THAT CHANGED THE WORLD covers speeches about power and equality. These include recurring themes such as politics and diplomacy, war and peace, freedom and justice, civil rights and human rights. What they all have in common is the rhetoric, the power of persuasion. The speeches reflect historic events of one of the most cataclysmic centuries as told by its heroes, villains, martyrs and monsters. Josef Stalin and Mahatma Gandhi speak side by side with Nelson Mandela, Joseph McCarthy, the Kennedy brothers and Fidel Castro. Speeches by George W. Bush and Arundhati Roy show conflicting views of our modern world. These speeches carry the hopes and regrets of our modern world and they have become even more powerful and poignant with the passage of time.

From My People Daryl Cumber Dance, 2002 A celebration of African American life and culture brings together four hundred years of folklore, traditional tales, recipes, proverbs, legends, folk songs and folk art.

Let Nobody Turn Us Around Manning Marable, Leith Mullings, 2009-01-16 This anthology of black writers traces the evolution of African American perspectives throughout American history from the early years of slavery to the end of the twentieth century. The essays, manifestos, interviews and documents assembled here are contextualized with critical commentaries from Marable and Mullings. They introduce the reader to the character and important controversies of each period of black history. The selections represent a broad spectrum of ideology: conservative, radical, nationalistic and integrationist approaches can be found in almost every period, yet there have been striking shifts in the evolution of social thought and activism. The editors judiciously illustrate how both continuity and change affected the African American community in terms of its internal divisions, class structure, migration, social problems, leadership and protest movements.
