## Never Before Never Since:

What If the Bible Had Never Been Written? D. James Kennedy,Jerry Newcombe,2008-01-01 But the Bible more than any other book is also the most maligned on the market Many of the cities of our culture dismiss the Word of God In What If the Bible Had Never Been Written D James Kennedy and Jerry Newcombe show that this collection of books was indeed the inspiration for almost all of the great explorers scientists writers artists politicians and educators the world has ever known That such a book which has influenced so many and stood the test of time for so long is dismissed as folklore or myth just goes to show what extremes nonbelievers will go to rationalize their behavior From the Ten Commandments which many of our laws and government are based upon to the Golden Rule a verse taken straight out of the New Testament to many of today s most common phrases and expressions there is no doubt as to the influence the Bible has on everyone in some degree every day What If the Bible Had Never Been Written provides a well documented and in depth look at the impact the Book of Books has had on humanity pointing to specific areas in today s society that would not be as they are now if it were not for the Bible

**What if Jesus Had Never Been Born?** D. James Kennedy,2008-07-11 One powerful truth is undeniable if Christ had never been born nearly every facet of human life would be worse Discover what the world would have been like without Jesus and how some of the world s greatest accomplishments exist only because he lived We live in a cynical age in which only one prejudice is tolerated anti Christian bigotry Yet despite the near constant and attacks against the faith one powerful truth is undeniable if Christ had never been born nearly every aspect of human life would be much more miserable than it is today In What if Jesus Had Never Been Born discover Christianity s impact on the value of human life helping the poor and education Christianity s impact on world history and the founding of America Christianity s contribution to civil liberties science medicine and economics Lives changed by Jesus Christ The author also examines what happens in a world without Christianity as well as fulfilling the purpose of believers as we move forward Arranged topically and presenting compelling little known historical facts What If Jesus Had Never Been Born clearly demonstrates that an enormous benefits to humankind from economics to art to government science to civil liberties morality to health and beyond would never have occurred had Jesus Christ not lived

**Once A Never After** T.F. Akinnusi,2024-07-15 Adeline the eldest of six daughters is forced to leave behind everything she knows to journey to the heart of the kingdom in search of a means to save her father s struggling farm She secures a position at the estate of the mysterious Duke of Hixe Theis an offbeat man who shuns society and keeps his face hidden She finds it challenging to keep up with the duke s many demands but is determined to send only good word home The duke realizes a fault she knows nothing about being a maid making it easy to send her packing She is determined to stay and work out his mystery but instead she discovers the duke is not as bad as he seems They develop an attachment one that must not be pursued Both are torn one s duty to the upkeep of her family and the other to the inhabitants of his country Will they follow the whispers of their hearts or crumble under the weight of duty
