New Atalantis:

A Political Biography of Delarivier Manley Rachel Carnell, 2015-09-30 A Tory pamphleteer playwright and satirical historian Delarivier Manley was regarded by her contemporaries Jonathan Swift and Robert Harley as a key member of the Tory propaganda team This biography offers details about her life including evidence about three illegitimate children by John Tilly Governor of Fleet Prison **The Orphan in Eighteenth-Century Law and Literature** Cheryl L.

Nixon, 2016-02-17 Cheryl Nixon's book is the first to connect the eighteenth century fictional orphan and factual orphan emphasizing the legal concepts of estate blood and body Examining novels by authors such as Eliza Haywood Tobias Smollett and Elizabeth Inchbald and referencing never before analyzed case records Nixon reconstructs the narratives of real orphans in the British parliamentary equity and common law courts and compares them to the narratives of fictional orphans The orphan's uncertain economic familial and bodily status creates opportunities to plot his or her future according to new ideologies of the social individual Nixon demonstrates that the orphan encourages both fact and fiction to re imagine structures of estate property and inheritance blood familial origins and marriage and body gender and class mobility Whereas studies of the orphan typically emphasize the poor urban foundling Nixon focuses on the orphaned heir or heiress and his or her need to be situated in a domestic space Arguing that the eighteenth century constructs the valued orphan Nixon shows how the wealthy orphan became associated with new understandings of the individual New archival research encompassing print and manuscript records from Parliament Chancery Exchequer and King's Bench demonstrate the law's interest in the propertied orphan The novel uses this figure to question the formulaic structures of narrative sub genres such as the picaresque and romance and ultimately encourage the hybridization of such plots As Nixon traces the orphan's contribution to the developing novel and developing ideology of the individual she shows how the orphan creates factual and fictional understandings of class family and gender **Catalogue of Autographs, Etc** Dobell, P.
