**A New Call To Holiness** J. Sidlow Baxter, 2017-01-10 These challenging new chapters on Christian holiness are the fruit of long study and reflection They are of key significance for all Christian leaders today and indeed for all Christian believers who would know the real teaching of the Word on the vital subject of personal holiness Searching behind and beyond the usual forms of holiness doctrine Dr Baxter sets forth what he documents as the fully accurate consistent teaching of the written Word arresting and alluring in its uncomplicated simplicity It is my persuasion that the Bible is trying to say something fresh to us again today on the deeply important sacredly sensitive matter of Christian sanctification and in these studies I ask the ready to listen with me to catch the accents of a new call to holiness as that living voice from heaven speaks again through the written Word **A New Call to Holiness** James Sidlow Baxter, 1993 **A New Call to Holiness** J. Sidlow Baxter, 1993-08-01 This volume examines the right approach to Scripture while guarding against the errors that have beguiled others in discussing the question What is holiness **A New Call to Holiness** James Sidlow Baxter, 1973 *The Call to Holiness* Richard M. Gula, 2003 The Call to Holiness was inspired by the fundamental conviction that spirituality without morality is disembodied and morality without spirituality is rootless In other words our moral life arises out of our spirituality to become its public face Furthermore what we do to nurture our spirituality through spiritual practices can and ought to have an effect on our moral practices In the end spirituality and morality converge when we consider life as a whole rather than simply focus on individual actions in the moral life or devotional practices in the spiritual life **BOOK JACKET Title Summary** field provided by Blackwell North America Inc All Rights Reserved **Free to be Nothing** Rev.
